All Financial / Non-Financial Pakistani Companies having Portfolio Investment(s) Abroad

Dear Sir/Madam

**Subject: Half-Yearly Survey of Pakistani Companies' Portfolio Investment Abroad**

The State Bank of Pakistan (SBP) regularly compiles and disseminates data on Pakistan's Balance of Payments (BoP) and International Investment Position (IIP). The latest data on BoP and IIP can be accessed from Economic Data Page of SBP website: <https://www.sbp.org.pk/ecodata/index2.asp>

As a part of BoP and IIP compilation process, SBP collects data on investment(s) made abroad by Pakistani companies – both financial as well as non-financial – through subject survey on half yearly basis (as on June30 / December 31).

In exercise of the power conferred by SBP Act 1956, Section 4C (f) to “collect and produce statistics related to its objectives and functions,” all companies are advised to fill in the subject Survey available at <http://www.sbp.org.pk/departments/stats/CPIS.htm> and provide ‘information on holdings of resident Pakistani companies in equity and debt securities issued by unrelated non-residents’ on half yearly basis within 4 months of the close of the reporting half year. For once, the deadline for Dec 2021 data has been set as June 6, 2022.

Aggregated data from this Survey will be disseminated electronically on SBP website. Past Surveys' data can be downloaded from <https://www.sbp.org.pk/ecodata/CPIS-Sdds-Assets-Data.pdf>.

In case of any query, please contact Mr. Mahmood Ahmad, Joint Director, through email ([Mahmood.Ahmed@sbp.org.pk](mailto:Mahmood.Ahmed@sbp.org.pk)) or telephone (021-33114986).

Yours sincerely

(Dr. Muhammad Nadim Hanif)
