All Scheduled Banks

SUB.LIST OF BRANCHES OPENED/CLOSED/MERGED/SHIFTED

Dear Sir,

As you are aware that scheduled banks operating in Pakistan submit above-mentioned statement to this Department on quarterly basis. This practice was useful when date was also supplied on similar lines.

Since the reporting system has switched over from manual to electronic media and also that same is being furnished on half yearly basis, it has been decided that banks will submit captioned statement on half yearly basis with immediate effect.

This is important to note that as all banks have now computerized record of their branches, therefore branch code should invariably be mentioned. Meanwhile present practice of submission of such information on quarterly basis is discontinued immediately.

In future, the reporting will be made according to the enclosed format. The statement shall be submitted within 30 days at the end of each half – year. In case no branch is opened / closed / merged / shifted, a nil statement may be submitted to this Department.

Yours faithfully

SD/

(ZAFAR IQBAL)
Jr.Joint Director
