P: Provisional

1/ Excluding inter-bank deposits, deposits of governments and foreign constituents.

2/ Government's borrowing net of Federal, Provincial, Azad Kashmir's and Gilgit-Baltistan's deposit with SBP and Scheduled Banks. The (-) sign in govt. deposits shows a credit balance whereas (+) sign shows their debtor/withdrawal from the system

3/ Data on government deposits with scheduled banks are available only on monthly basis therefore, the previous month data were repeated in subsequent weeks till the availability of latest month data.

Government's borrowing mechanisms from the banking system are as follows:-

- Borrowings from scheduled banks is mainly through fortnightly auctioning of Market Treasury Bills (MTBs) of 3, 6 and 12-month maturities. Government of Pakistan also borrows long-term by quarterly auctioning of Pakistan Investment Bonds (PIBs)/Sukuk of 3, 5, 10, 15, 20 and 30 years maturities.
- Federal Government may also borrow directly from SBP either through ways and means advance or purchase (by SBP) of Market Related Treasury Bills (MRTBs). The Ways and Means Advance is extended for government borrowings up to Rs.100 million at an interest rate of 4 percent per annum whereas higher amounts are borrowed through SBP purchase of 6-month MRTBs at the weighted average yield of 6-month MTB determined in the most recent fortnightly auction of treasury bills. The weighted average yield on 6-month MTB was 6.01 percent as a result of the auction conducted on 6th December 2017.
- Provincial Governments and the Government of Azad Jammu & Kashmir may also borrow directly from SBP through raising of their debtor balances (over drafts) within limits defined for them. An interest rate is charged on the borrowings which is weighted average of the weighted average yields of 6-month MTBs over the preceding three months. In case, the Provincial Governments or the Government of Azad Jammu & Kashmir borrow over and above the over draft limit, they are penalized by charging an incremental rate of 4 percent per annum.
