

United Nations  
Compensation Commission**E** Other Compensation or Recovery

Has your corporation or entity received any compensation, whether in funds or in kind, from any source?

- ☐ NO  
☐ YES

If YES, list the amount and source of compensation and indicate with respect to which loss or losses it was received (Attach a separate statement).

Has your corporation or entity submitted a claim for the same loss or losses before another forum (such as a domestic court or claims commission)?

- ☐ NO  
☐ YES

If YES, give details of the claim and forum, and indicate with respect to which loss or losses such claim has been filed (Attach a separate statement).

NOTE: Should your corporation or entity in the future submit a claim for the same loss or losses elsewhere or receive any compensation for the same loss or losses, it is required to report these events to the Commission immediately. Any amount so received will be deducted from the total amount of compensation to be awarded by the Commission.

NOTE: If your corporation or entity fails to inform the Commission about a claim filed elsewhere for the same loss or losses, the claim will only be processed by the Commission after all other claims in the same category have been resolved, even if such a claim should no longer be pending in another forum.

**Declaration**

Your signature on the signature page of these claim forms constitutes an undertaking to inform the Commission whether your corporation or entity has submitted any claim for the same loss or losses before another forum or whether it has received any compensation for the same loss or losses at any time before receiving compensation from the Commission.
