

Preface

Statistics & DWH Department of State Bank of Pakistan makes all out efforts to publish quality statistics with minimum possible time lag. Annual Banking Statistics of Pakistan is very important publication of this department which covers 10 years data series on multi aspects of the financial sector which is widely used by users working in various disciplines.

The publication is divided in five different parts each part possesses its own significance. The data tables are supported by easy-to-understand graphs and charts which help to provide the insight of the complicated numbers in a glance. The quality of graphs and printing has been improved significantly over the years. I appreciate the efforts of the team in compiling this valuable publication.
