## **INTRODUCTION**

This publication provides estimates of Pakistan's imports of goods and services compiled by the State Bank of Pakistan (SBP) on monthly basis. Imports of goods cover all moveable goods that are imported from the non-residents by the residents and that with a few specified exceptions undergo change in ownership (actual or imputed). Imports of services are payments for services performed by non-residents for residents. It includes Manufacturing services on physical inputs owned by others, Maintenance and repair services., Transport, Travel, Construction, Insurance and pension, Financial services, Charges for the use of intellectual property, Telecommunications, computer and information services, Other business services, Personal, cultural and recreational services & Government goods and services n.i.e.

Major part of the imports data compiled by Statistics & DWH Department, SBP are reported by foreign exchange Authorized Dealers (ADs) of scheduled banks under International Transaction Reporting System (ITRS) and are on mixed f.o.b. and c.i.f. basis. Estimates of imports in BOP are calculated at a uniform f.o.b. valuation by deducting the element of freight and insurance estimated at 3.5% of total imports payments through banks and adding the imports not covered by the banking channel i.e. imports financed by loans suppliers & other credits, grants etc. Estimates of imports of capital goods supplied to Pakistani branches or subsidiaries from the parent companies abroad based on annual survey of foreign investment are also covered. Imports under personal baggage, NRI, sales of duty free shops, land borne imports from Afghanistan and imports of Export Processing Zone (EPZ) from the rest of world are also included.
