\* The House Building Finance Corporation commenced granting interest-free loans during 1979-80 in view of Government policy to eliminate interest from the economic system in Pakistan. The Corporation finances purchase or construction of houses and flats on co-owner ship basis and receives a proportion of the imputed rent as a return on the finances provided by it till the beneficiary repays the entire amount of the Corporation.

\*\* : Since July 2000 approval of new investment has been suspended due to judgment of Shariat appellate Bench of Supreme Court of Pakistan. After promulgation of Ordinance 2001 by the President of Pakistan on 23<sup>rd</sup> November, 2001, HBFC prepared its Ghar Aasan Scheme based on diminishing Musharaka and implemented it from March, 2002 all over the country.

"The data has been compiled as per revised methodology according to which unrealized mark- up does not become part of NPLs as it is kept in memorandum account. Besides, coverage of data has been enhanced by including overseas NPLs of Pakistan Banks having overseas branches in the total NPLs. Rescheduled and restructured NPLs are not excluded from the total NPLs unless they have become regular by meeting the criterion of one-year satisfactory performance. This condition however, will not apply in case the borrower has repaid or adjusted in cash at least 50% of the total restructured loan amount (principal + mark- up) either at the time of restructuring agreement or later on during the grace period if any. The cash recovery position represent recovery made against principal amount of domestic plus over seas NPLs."
