Preface

Statistics and Data Warehouse Department (SDWD) of the State Bank of Pakistan endeavors to

provide accurate and reliable statistics to users on regular basis. The monthly Statistical Bulletin

is one such effort.

The monthly Statistical Bulletin covers a wide range of information most of which is already

available on the websites of source organizations; including State Bank of Pakistan and Pakistan

Bureau of Statistics. The data included in the Bulletin is acquired from original sources and

efforts are made to ensure its consistency. Data on different variables is provided as per

frequency it is being compiled by the source organization. The data is presented in a user

friendly way. This publication is divided in eleven different parts covering data on money and

credit, banking system, balance of payments, foreign trade, domestic and external debt, open

market operations, capital market, prices, manufacturing, public finance and national income

accounts. The publication is available both in print as well as in electronic form

(http://www.sbp.org.pk/reports/stat_reviews/Bulletin/index.htm).

I appreciate the efforts of the team for compiling this valuable publication. Comments and

suggestions for further improvement in the publication are welcome.
