Collection of papers submitted for
IIIrd SBP International Conference on
Inflation Targeting in Emerging Market Economies
SBP Research Bulletin aims at publishing high-quality research in the area of macroeconomics, with special emphasis on monetary and exchange rate economics and policy issues. Articles published in the journal are subject to blind-refereeing review process by a panel of internationally recognized economists. The journal also publishes special comments, by invitation only, in its ‘opinions’ section and has a section on ‘book reviews’ as well. The views expressed in the articles, opinions, and book reviews are those of the author(s) and do not necessarily reflect those of the advisory board, editors, or the State Bank of Pakistan. The accuracy of the statements, findings, or analysis of the contributions in this journal is the responsibility of the author(s).
