Instructions to Authors for Submission in the SBP-Research Bulletin

- Submit electronically on the following email address: **sbprb@sbp.org.pk**
- Name of the author(s) must not be mentioned on the submission.
- Attach a covering letter indicating name(s) of the author(s).
- Abstract of about 100 words with JEL code(s) must be included.
    [Download information on JEL code(s) from:
    http://www.aeaweb.org/journal/jel_class_system.html.]
- Text should be double-spaced, one-inch margin on all sides (A4 paper size).
- Times New Roman font style with font size of 11 should be used.
- List of references to appear at the end of the text in alphabetical order. Some Examples:

    Ahmad, E. and S. Ali (1999). "Exchange Rate and Inflation Dynamics." *Pakistan Development Review*, 38, 3: 235-251.

    Greene, W. (1993). *Econometric Analysis*. 3rd Edition. New Jersey: Prentice Hall.

    Haque, N. ul and P. Montiel (1999). "Long-Run Real Exchange Rate Changes in Developing Countries." In L. Hinkle and P. Montiel (eds.). *Exchange Rate Misalignments: Concepts and Measurements for Developing Countries*. Washington, D.C.: World Bank. (pp. 381-404)

    Reinhart, C. and K. Rogoff (2002). *The Modern History of Exchange Rate Arrangements: A Reinterpretation*. NBER Working Paper 8963. Massachusetts: National Bureau of Economic Research.

- In the text, references to appear as follows:

    Seminal work in this regard remains Krugman (1979) … Ahmad and Ali (1999) who argue that … See, Greene (1993), Gujarati (1995) for a review … A host of authors [Persson and Tabellini (1990), Alesina and Drazen (1991), among others] have shown …

    When more than two authors to quote, use "et al."

- Equations or Formulas must be numbered on the extreme right as (1), (2), (3), … consecutively. Characters used in them must be defined clearly. When referring to the Equations or Formulas, always quote as "Equation (1)", etc.
- Produce Tables and Figures at the end of the manuscript (after the References). Indicate in the main text where to insert the Tables and Figures.
- Construct the Tables of size 3". Do not over-decorate. Do not leave any column or row blank. No colors. Give title, for example:

    Table 1. Real GDP of Pakistan, 1960-2004 (millions of Rs)

- Do not overload Figures (of size 3") with information and avoid over-decoration, label appropriately. No colors. Do not use italics. Give title, for example:

    Figure 1. Pakistan's Real GDP Growth, 1960-2004 (% annual)

- In case of regression analysis, make sure that the data as well as detail of any specialized software used is readily available upon requirement.
- Data used in Graphs/figures should be sent in Excel format separately.
- Paper should not exceed 25 pages, excluding References and Appendices.
