The Presidents / CEOs / Heads
All Scheduled Banks / DFIs / MFIs

Dear Sir/Madam,

Verification of User Accounts on Data Acquisition Portal (DAP)

The State Bank of Pakistan has provided Data Acquisition Portal (DAP) to Reporting Institutions (RIs) for online submission of various statements. A user management module is also available for administrator level users of RIs for managing user accounts.

It has been observed that certain DAP users in some institutions have either left or retired but their user accounts still exist in DAP. It is also observed that certain user accounts are being used by other users. This is a breach of system security and is causing problems in verification of data and clarification of queries by the concerned staff.

Keeping this in view, all Reporting Institutions are advised to deactivate all unwanted accounts and verify the access rights of all users. In addition, usage of one's user-id by someone else must be prohibited.

Please intimate this office upon completion of the account verification activity within 15 days of this communication.

In case of any query, please contact data warehouse helpdesk team through phone (021-32453623 / 021-32455667) or by email at dwhsupport@sbp.org.pk

Yours truly

Sd/-
