Emaan Islamic Banking offers an array of products to meet the financial needs of customers, including Current Accounts, Savings Accounts, Term Deposits, Takaful and saving plans.

Chairman's Message

Dear Stakeholders,

Silkbank, with the inflow of additional capital in 2015, has a high growth potential. Now our Bank is not only compliant of the Minimum Capital Requirement set by the Central Bank but is now also maintaining a Capital Adequacy Ratio of much above the required level of 10%, which would help in winning investor confidence.

Over the past years, the management has worked to integrate responsibility and sustainability across every aspect of the business. It has continued to invest capital significantly in order to create shared value with employees, communities, customers, consumers and shareholders. Sustainability initiatives have focused on the key areas: Improvement in Service; Maintaining Low Cost of Funds; Increasing Distribution Footprint; Reducing Non-Earning Assets; Expense Rationalization and Focus on Customer Franchise and Employees.

It is a great pleasure for me to inform all our shareholders that Silkbank has been able to anticipate and evolve offerings to customers newer and simpler solutions with easy and universal access. All this has been possible due to the use of technology, as a strategic element to differentiate versus competitors.

Most importantly, Silkbank's valuable asset is its people who will continue to be strengthened and empowered. The Bank's commitment to corporate governance will remain on priority in maintaining the trust of our stakeholders and managing risk.

Over the past several years we have worked to ensure the right balance of skills and breadth of experience on our Board. During the year, we have also welcomed new investors on the Board consequent to the Rights Issue.

As we look to the years ahead we renew our pledge to remain committed to excellence, keep abreast of changes and innovations and develop more effective management techniques to successfully overcome all challenges.

I look forward to seeing you at our Annual General Meeting.

Munnawar Hamid, OBE
Chairman

President's Review

Dear Shareholders,

The Year 2015 has been very positive for Pakistan, in respect of its economic and political outlook compared to the past two years. The recent measures and operations undertaken by the leadership of Pakistan have shown Pakistan's resolve to curb terrorism from the roots, thus creating a favorable business climate.

Improving finances, low inflation, economic reforms and lower energy prices also contributed towards Pakistan's economic optimism. The increase in confidence shown by the international donor agencies, government's energy sector initiatives, and significant interest shown by China to invest in Pakistan through China Pakistan Economic Corridor (CPEC) and government's plans and initiatives towards fast-track privatization ensured continuous economic growth.

This year, the SBP's foreign exchange reserves crossed USD 20 billion mark. Due to a comfortable foreign reserve position, the rupee witnessed 4% devaluation only. The Consumer Price Index (CPI) was at an average of 2.5% for the year 2015 leading to a reduction in the Discount Rate from 10%, bringing it down to Policy Rate of 6.0%.

In 2015, we continued working towards achieving capital compliance requirements, set by the SBP. With relentless efforts, the Bank has, Alhamdulillah, crossed the threshold of Minimum Capital Requirement (MCR) of Rs. 10 billion and Capital Adequacy Ratio of 10%.

The hard work and dedication of employees, enabled us to make great strides in building deposits where a major growth was witnessed in current account deposits. We invested in technology and communications and in training & developing our people. The Special Assets Management Group (SAMG) of the Bank once again exceeded expectations and contributed a net amount of Rs. 1,968 million to the P&L Account with a total NPL reduction of Rs. 2,166 million.

Your bank also maintains a leadership position in Customer Service excellence, which is embedded in our culture as a part of our core values. We endeavor to provide a unique customer experience by proactively anticipating our customers' needs and expectations. In recognition of our customer centric pursuits, we have been repeatedly rated amongst the top service providers in the industry. This has been established through independent surveys, conducted by a leading market research consultancy. Your bank will continue to work on its vision, to be the "Benchmark of Excellence in Premiere Banking" to ensure unmatched service to our customers.

During the year, the Bank's strategy focused on reducing the cost of funds by decreasing expensive deposits and replacing them with low cost funds.

President's Review

Our continued focus on booking high-yielding consumer assets was yet another strategic initiative. Credit Cards registered a growth in Ending Net Receivables (ENR) by Rs. 580 million and closed at Rs. 2,459 million, with Total Cards in Force (CIF) at 65,575 cards as of December 31, 2015. The momentum in Personal Installment Loans & Running Finance facility was maintained with a combined year end 2015 ENR of Rs. 8.6 billion vs. Rs. 6.9 billion in 2014. The strategy followed in Personal Installment Loans was to promote and focus on loan top-ups to customers with good credit history who have enjoyed a profitable relationship with the Bank. This aided in enhancing the product yield and diminishing customer acquisition cost. The strategy helped in strengthening ties with customers by entering into a long-term relationship and simultaneously, helped manage portfolio attrition prudently. Silkbank Ready Line, launched in 2011, is a running finance facility, which has earned a name for itself within a short span of time. It is, ostensibly, the most sought-after loan product in the market. We further strengthened the portfolio of alliances with popular merchants across Pakistan that enabled us to increase our VDC customer base by 27,216 during the year 2015. Silkbank Visa Debit Cards reflected a growth of 12.30% over last year with a spend volume of Rs. 1,137.72 million. Our extensive ATM availability contributed significantly to the enhanced ATM usage which grew by 12.69%, with an impressive average of cash dispensed, of over Rs.15 billion during the year 2015.

The Alternate Delivery Channels (ADC) business continues to be an important tool in cost reduction, customer loyalty and in projecting the Bank's innovative positioning. Your Bank now provides SMS alerts to 58,425 customers. Internet Banking is now being used by more than 19,000 customers, while E-Statements are being sent to more than 33,000 account holders. Silkbank has also successfully launched a Mobile App, which allows the customers to pay their bills, transfer funds, request cheque books, besides many other services. We now have 9,000 Mobile Banking customers. This ensures timely delivery and reduction in courier costs. Your bank makes a continuous effort to stay abreast with technology which aims at further strengthening your Bank's innovative positioning.

Your bank has continued to be a major player in Wealth Management. Our Bancassurance business offers simultaneous protection, investment and health insurance products with a revenue of Rs. 44.03 million in 2015.

During the year, a strong focus was maintained to build non-funded trade business from our middle market branches along with emphasis on low-cost deposit generation. The Corporate Banking Group formed a dedicated liability team, that will not only target corporate deposits but will also spearhead cash management initiatives to generate funds.

Emaan Islamic Banking has established in just three years since inception a strong liability and asset business. The unit has efficiently managed its existing portfolio and reduced the cost of funds to further improve spreads. Emaan Islamic Banking deposit book stands at Rs. 12.6 billion as of December 31, 2015 compared to Rs. 9.4 billion as of December 31, 2014. On the asset side, its financing book stands at Rs. 5.4 billion as of December 31, 2015.

Your Bank manages its liquidity with stringent risk management and prudent liquidity management techniques. Silkbank's Treasury department continued its exceptional performance as the Bank's total FX income earned in 2015 was Rs. 243 million. During the year, treasury realized total capital gains of Rs. 691 million in Fixed Income and Equity Markets.

Your Bank continued to enhance its risk management capability in the Corporate, Middle Market, SME and Consumer businesses. Assessment of the Risk Acceptance Centre (RAC's) is an ongoing exercise, which enables the Bank to keep its risk appetite at acceptable levels. The Internal Control and Compliance Team's continued vigilance of branches and other support functions, which include sharing of guidelines to educate and guide staff to ensure better control standards. Another critical initiative was to rationalize expenses and its operating costs which included telecom and hardware optimization and a constant review of major expense lines.

Our people form the backbone of our organization. The choice of the right people for the right position is by far the most important challenge for leadership. While continuing the culture of Learning & Development, the bank dedicated more than 34,000 hours towards training of staff.

With the capital inflow of Rs. 10 billion through a Rights Issue, in due course, we aim at increasing our distribution footprint by adding new branches, both on the Conventional and Islamic Banking side. We will maintain our focus on making financing more affordable to the consumers, thus penetrating into segments previously unserved.

It is my great honor to continue to lead the dynamic Silkbank team. I would thank every member of the organization for the dedication, commitment and hard work during the year. I would also thank our various Stakeholders, the State Bank of Pakistan, Sponsors and Directors for their continued guidance, support and patronage.

Yes we can,

Azmat Tarin
President & CEO

Profile of Board of Directors

Mr. Munnawar Hamid, OBE - Chairman

Mr. Hamid was elected as Independent Director and Chairman of the Board, in March 2008 and was re-elected as an Independent Director by the shareholders of the Bank. Mr. Hamid was also appointed as the Chairman by the Board in August 2011 and also in August 2014 and has held this position since then. Mr. Hamid gained experience of commerce and industry while serving in a major chemicals company, ICI Pakistan Limited, as Chief Executive, as well as Chairman of a number of subsidiary companies of Global Corporations in Pakistan, which include ICI Pakistan and Pakistan PTA (now Lottee Pakistan PTA Ltd.). He has also served in London as a Global Senior Corporate Planner ICI Plc for its Pharmaceuticals, Agrochemicals and Seeds, and especially Chemical Businesses. Subsequently, he was the Advisor to the CEO of ICI Plc London, for South Asia. In addition to the Corporate sector, Mr. Hamid has been associated with a number of Boards, high-level consultative bodies, Public Sector Organizations, leading Advanced Educational Institutions and the Financial Sector of Pakistan. In October 1997, he was appointed Officer in the Most Excellent Order of the British Empire (OBE) by HM the Queen, for services to ICI and Economic Development in Pakistan. Mr. Hamid is a graduate from Punjab University, and also holds BA (Hons) and a Master's degree from Cambridge University (Gonville & Caius College), UK. He has over 45 years of experience in the fields of business & corporate management and operations. Mr. Hamid is also currently associated with the following organizations:

■ Linde Pakistan Ltd. (formerly BOC Pakistan Ltd.)	Chairman
■ The Aga Khan University	Member Board of Trustees
■ The Aga Khan University	Gratuity Fund Trustee
■ The Aga Khan University	Provident Fund Trustee

Mr. Tariq Iqbal Khan - Director

Mr. Tariq Iqbal Khan was elected as an Independent Director on the Board of the Bank in December 2010 and was also re-elected as a Director by the shareholders of the Bank in August 2011 and August 2014 and has held this position since then. He is also the Chairman of the Audit Committee of the Board. Mr. Tariq Iqbal Khan is the Ex-Chairman of National Investment Trust Limited. He has also served on various positions in Federal Board of Revenue (FBR) and Securities and Exchange Commission of Pakistan (SECP). Mr. Khan has also played a significant role as Pakistan Banks Association's Chairman. Mr. Khan is a Chartered Accountant by profession, and has over 30 years of experience. He has served on the Boards of various other banks and companies. Currently he holds directorship in the following companies:

Name of Organization	Position Held
■ Pakhtunkhwa Energy Development Organization	Chairman
Listed Companies	
■ International Steels Limited	Director
■ Lucky Cement Limited	Director
■ National Refinery Limited	Director
■ Packages Limited	Director
■ Pakistan Oil Fields	Director
■ Attock Refinery Limited	Director
Unlisted Companies	
■ FFC Energy Limited	Director
■ CAS Management (Pvt) Limited	Director
Non-Profit Organization	
■ Islamic International Medical Trust	Director
■ High Altitude Sustainability Trust	Director

Mr. Sadeq Sayeed - Director

Mr. Sayeed was elected as a Non-Executive Director on the Board of the Bank in March 2008, was also re-elected as a Non-Executive Director by the shareholders of the Bank in August 2011 and August 2014 and has held this position since then. He is also member of the Risk Committee of the Board. Mr. Sayeed was appointed as Chairman of Metage Capital Ltd., an investment firm based in London, in March 2011. Prior to this, Mr. Sayeed was the CEO of Nomura International from 2008, having joined the company in 2000 as Special Advisor. This appointment followed the acquisition of the Lehman Brothers businesses in EMEA and Asia in which Mr. Sayeed played a key role. In addition, he was the Chairman of both the European Management Committee and the European Capital Commitments Committee at Nomura. In 2011, Mr. Sayeed retired as CEO of Nomura.

Previously Mr. Sayeed had been responsible for a number of key strategic projects globally, including the creation of Terra Firma Capital Partners, a £2 billion private equity fund. He was also responsible for creating the joint venture between Rothschild and Nomura, in respect of their global investment banking activities. Mr. Sayeed has over 30 years of experience in investment banking, including arbitrage trading, structured finance, fund management and financial advice. He has previously served as Managing Director of Credit Suisse First Boston, where he spent 15 years, and served as a member of the Operating Committee. Prior to his global investment banking career, he was Consultant to the World Bank in Washington DC. Mr. Sayeed holds an under-graduate degree in economics with concentration in electrical engineering, from Massachusetts-Institute of Technology (MIT), as well as a Master's degree in finance from MIT's Sloan School. Mr. Sayeed is an Associate Scholar at Pembroke College, Cambridge. He is also an Adjunct Professor at Imperial College Business School, in London. He currently holds the following positions:

■ Metage Capital Limited	Chairman
■ Sinthos Capital Advisors LLP	Partner

Mr. Shamsul Hasan - Director

Mr. Shamsul Hasan was appointed by the Board as a Non-Executive Director on the Board of the Bank in November 2012 and was re-elected as an Independent Director by the shareholders of the Bank in August 2014 and has held this position since then. He is also the Chairman of the Risk Committee of the Board. Mr. Hasan is a senior investment and corporate banker. Prior to his joining the Bank, Mr. Hasan was the Managing Director and Chief Executive Officer of Pakistan Kuwait Investment Company (Pvt.) Ltd., a joint venture of Governments of Pakistan and Kuwait, from November 2008 till August 2011. Through his dynamic leadership, he completely turned around the company into a profitable organization. In 2011, Pakistan Kuwait Investment Company was given a Credit Rating of "AAA" by two independent credit rating agencies; it also achieved a very high Corporate Governance Rating. Mr. Hasan has also worked as the Country Head of Corporate & Investment Banking Group of the then Saudi Pak Commercial Bank Limited. He has over 33 years of banking experience with other local and international banks, and has a proven track record of over 20 years experience in senior management. He is a graduate of Pakistan Military Academy, Kakul. Mr. Hasan has extensive banking training and has attended various international management development programs, conducted by INSEAD France, National University of Singapore, Institute of Islamic Banking London and Euro Money London.

Mr. Adnan Afridi - Director

Mr. Adnan Afridi was elected as a Director on the Board in August 2014. He is also member of the Audit Committee of the Board. Mr. Afridi has served as Chief Executive - AVA Water, Managing Director, Pakistan - Start Consult; Chief Executive Officer/Secretary General - Overseas Investors Chamber of Commerce and Industry (OICCI) and Chief Executive Officer/Managing Director - Karachi Stock Exchange (Guarantee) Limited, Karachi. He is currently working as Chief Executive Officer, Tethyan Group. Prior to joining Tethyan Group, he also served as Senior Advisor to Board Strategy and Investor Relations in Silkbank Limited. Mr. Afridi holds J.D. (Juris Doctorate) degree from Harvard Law School Cambridge, MA, USA. Mr. Afridi has 18 years international experience in change management, business transformation, innovation and profitability in blue chip companies, private-sector and start-up situations. He has also international work experience in USA, EU (UK, Italy, Turkey, France) and UAE.

Mr. Khalid Aziz Mirza - Director

Mr. Khalid Aziz Mirza was elected as an Independent Director on the Board in August 2014. He is also a member of the HR Committee of the Board. Mr. Mirza has a Masters of Commerce (M.Com) degree from University of Punjab, Lahore, Pakistan. Mr. Mirza has served at various positions in Investment Corporation of Pakistan (ICP), Credit & Finance Corporation - London; International Finance Corporation (IFC) (Member, World Bank Group) and The World Bank - Washington DC, USA. Besides this, he has also served as Chairman - Securities & Exchange Commission of Pakistan (SECP); Chairman and Chief Executive - Monopoly Control Authority, GoP; Chairman and Chief Executive - Competition Commission of Pakistan and Member - Competition Appellate Tribunal. Mr. Mirza is Professor of Practice currently in Lahore University of Management Sciences (LUMS), Pakistan. Mr. Mirza is also Independent Director/Chairman on the Board of Primus Investment Management and Independent Director of the Board Mediterranean and Gulf Insurance and Reinsurance Co. B.S.C., Bahrain.

Mr. Talha Saeed Ahmed - Executive Director

Mr. Talha Saeed was appointed as Executive Director on the Board of Silkbank in April 2015. He has over 27 years of experience at senior positions in leading financial institutions. He has held a number of important appointments in NDFC, ANZ Grindlays Bank, Union Bank and Standard Chartered Bank. He is presently Executive Director/Group Head of Retail Banking, looking after Branch Banking, Consumer Assets and Small & Medium Enterprises Business. Previously he has been Country Head and General Manager of Small & Medium Enterprises Group and Regional Head of Retail Banking. Apart from holding the above appointments he was also a member of the Senior Management Committee in Standard Chartered Bank.

Additionally, Mr. Saeed currently holds the position of Director on the Board of Lahore Stock Exchange and was also Convener of The Regulatory Affairs Committee of Lahore Stock Exchange. He has been regularly attending many training courses and workshops in Pakistan and abroad. On and off he has attended conferences on SMEs organized by International Finance Corporation (IFC). He is a Certified Trainer of IFC on SME Banking. Some of his major achievements during his career are; pioneering programmed based lending to SMEs in Pakistan; setting up SME businesses from scratch in three banks; and setting up Consumer Business in Silkbank. Besides, these core responsibilities, he is also a member of the following Senior Management Policy Forums of the Bank:

1. Senior Management Committee
2. Asset and Liability Committee (Treasury)
3. Senior Human Resource Committee
4. IT Steering Committee
5. Market Risk Committee
6. Acting CEO in absence of the CEO

Mr. Saeed holds a Master's degree in Economics from Quaid-e-Azam University, Islamabad and is a Commerce graduate from Hailey College of Commerce. He is a fellow member of the Institute of Bankers in Pakistan and a Certified Director on the panel of Pakistan Institute of Corporate Governance. He is also a trainer for National Institute of Banking and Finance and State Bank of Pakistan for Small & Medium Enterprises Business. He has also conducted training on SMEs in Islamic Banking.

Mr. Azmat Tarin - President & CEO

Mr. Tarin is the President & CEO of Silkbank since October 2008. Prior to that, he was the Executive Director in Silkbank. He is also member of the HR Committee of the Board. Mr. Tarin is a career banker with an experience of over 25 years. He started his career in Branch Operations in Lincoln Savings, California, in 1989.

Subsequently, he moved to Saudi American Bank in Riyadh, where he was involved in a project of centralizing operations. He has also attended the Management Associate Program at the Saudi American Bank. His first banking assignment in Pakistan was with Union Bank Ltd. from 1999 to 2006 as Head of Retail Banking, where he was a part of the core team that turned the bank into one of the most profitable banks of the country. In addition, he served on the Board of Union Leasing from 2001 to 2006. Mr. Tarin is also serving as a Director of Sinthos Capital Holding Ltd.

Mr. Tarin is a Master of Business Administration (MBA) in Management Sciences from Pepperdine University, Los Angeles, California.

Corporate Profile

Background:

Silkbank is a scheduled commercial bank listed on all stock exchanges in Pakistan with its Central Office located in Karachi. On September 15, 2001, under the supervision of SBP, the institution then known as Prudential Commercial Bank Limited was acquired by Saudi Pak Industrial and Agricultural Investment Company (Pvt). Limited and renamed as Saudi Pak Commercial Bank Limited.

On March 31, 2008, a Consortium comprising International Finance Corporation, Bank Muscat S.A.O.G, Nomura European Investment Limited and Sinthos Capital Advisors (led by Mr. Shaukat Tarin and Mr. Sadeq Sayeed) acquired a majority stake in Saudi Pak Commercial Bank Limited, which was subsequently rebranded as Silkbank Limited on June 01, 2009.

Major shareholders of the Bank as on December 31, 2015 are Sinthos Capital comprising of Mr. Shaukat Tarin, Mr. Sadeq Sayeed and Mr. Azmat Tarin, Ms/ Arif Habib Corporation Limited, International Finance Corporation (IFC), Nomura European Investment Limited, Bank Muscat S.A.O.G and Mr. Zulqarnain Nawaz Chatta and Mr. Zubair Nawaz Chatta of Gourmet Group.

The Bank is engaged in providing financial services via 88 branches located in 33 cities throughout the country and offers a range of retail, consumer, corporate and Islamic products.

CONSORTIUM PARTNERS

A member of the World Bank Group, IFC fosters sustainable economic growth in developing countries.

Largest bank of Oman with assets of over USD 15 billion, having significant presence in the Middle East.

A leading investment bank with network in over 30 countries and total assets of USD 221 billion. Recently acquired Lehman Brothers in Asia and Europe.

Reports & Statements to the Members

For the year ended
December 31, 2015

Director's Report

For the year ended
December 31, 2015

Dear Shareholders,

The Directors are pleased to present the 22nd Annual Report and the audited financial statements for the year ended December 31, 2015.

Economic Review

Pakistan's economy is improving both quantitatively and qualitatively. Major successes in the outgoing fiscal year include improving economic growth, inflation contained at low levels, improvement in tax collection, reduction in fiscal deficit, higher workers remittances, successful launching of a Sukuk, foreign exchange reserves increasing significantly and the stock market reaching new highs.

China and Pakistan have agreed to establish a China Pakistan Economic Corridor between the two countries. This corridor will serve as a means for connectivity with major consequential economic benefits and an opportunity to uplift socio-economic conditions in the country.

The Banking Sector

The Discount Rate was maintained at 6.5% during most part of the year, and banking sector spreads slipped by 43 bps, averaging 5.56% compared to 5.99% in the preceding year. The banks to shield themselves and take advantage of an additional yield of 200 bps above the prevailing T bill yields invested heavily in PIBs which emerged as the leading investment avenue in which investment rose from Rs. 2,170 billion in CY-14 to Rs. 3,196 billion in CY-15.

Advances made in the Banking Sector improved by Rs. 323 billion during 2015.

Silkbank's performance during 2015

Overall Financial Performance

The Bank was successful in raising Rs. 10 billion in 2015 through the Rights Issue to become MCR and CAR compliant.

The performance during the year 2015 in each of the main strategic areas of focus was as follows:

■ COST OF FUNDS

In order to manage the cost of funds, the Bank continued to consolidate the position by decreasing expensive deposits and replacing them with low cost deposits. Emaan banking also contributed towards the growth of a deposit base with a favorable CASA mix ratio and so support spreads.

■ EXPENSE RATIONALIZATION

During the year, the management undertook significant initiatives in organization restructuring and rationalization and also to control rent and other expenses of premises.

■ HIGH MARGIN CONSUMER ASSETS

Running finance and Personal loans also continued to expand very satisfactorily, followed by credit card. The ending net receivables in the consumer portfolio contributed Rs. 518 million to earnings before interest & taxes.

Given the Bank's overall capital position successfully supported by the recent Rights Issue, the management deemed it prudent to be aggressive in its provisioning, even in cases where settlement had reached final stages and the reversal of the said provision was imminent. However, due to the timing of these transactions, the reversals could not materialize before year end. The management has presented to the Board a detailed plan for reversal of the said provisions and are confident that the bulk of the provisions recognized this year will be reversed in the first half of 2016. In addition the Bank's financial performance has also been adversely impacted by the significant reduction in spreads as a consequence of the unprecedented fall in discount rates.

The consequent financial performance in the 2015 compared to 2014, despite the continuous & consistent improvement in the operational performance of all businesses, was as follows:

Financial Performance

Financial Performance	Rs. in million	
	2015	2014
Net mark-up income	3,099.630	3,460.117
(Provisions)/Reversal, impairment and others	(724.377)	(367.613)
Non mark-up income	1,894.323	1,720.363
Non mark-up expense	(6,109.278)	(4,681.452)
Profit before tax	(1,839.702)	131.415
Tax/(Reversal) of tax	128.097	(44.555)
Profit after tax	(1,711.605)	86.860
	Rupee	
(Loss)/Earning per share	(0.58)	0.03

In view of the losses at year end, the Bank has not been able to declare any dividend for the year.

Sectoral Performance

Wholesale Banking

■ CORPORATE BANKING & MIDDLE MARKET

During the year 2015, the overall cost of deposits was reduced to 4.80%, an improvement of 183 bps. The average Corporate Banking deposits were Rs. 5.2 billion, whereas the average current account deposits were Rs. 1.7 billion and the average advances portfolio amounted to Rs. 25.6 billion. As a consequence, Corporate Banking overall achieved a revenue of Rs. 789 million and a margin before allocations of Rs. 495 million.

■ INVESTMENT BANKING GROUP (IBG)

IBG spent most of 2015 working on internal corporate finance initiatives which culminated in a Rs. 10 billion Rights Issue. At the same time it built a steady pipeline of debt and equity transactions to be concluded post the issuance of new capital.

■ TREASURY & FINANCIAL INSTITUTION

During the year, the Treasury realized a total capital gain of Rs. 691 million in fixed income and equity markets and took full advantage of the arbitrage opportunity available in the market and booked a respectable interest income. It also earned an income of Rs. 243 million in the foreign exchange market. Fixed Income sales of GOP securities to new and existing clients also remained very active throughout the year.

Retail Banking

Branch Banking

Branch Banking remains one of the most critical businesses for the Bank, serving over 128,878 customers, and consisting of approximately 74% of the Bank's deposit base. Branch Banking deposits reached Rs. 60,117 million during the year and maintained a favorable CASA deposit mix of 51%.

All-In-One Account

All-In-One Account, which provides insurance coverage on ATM & over-the counter cash snatching, mobile phone & vital documents snatching, home burglary as well as auto-insurance at as low a rate as 2.5% has now 3,208 customers and a deposit base of Rs. 1.35 billion.

Business Value Account

Business Value Account, which provides inventory insurance of up to Rs. 10 million, has grown to a deposit base of Rs. 0.40 billion with 980 customers.

Online Express

Online Express has now a total deposit of Rs. 12.44 billion, with 62,011 customers.

Munafa Rozana

Munafa Rozana a savings account which pays profit in cash daily, has achieved a deposit base of Rs. 3.83 billion with 8,429 customers during the year.

Consumer Banking

The Banking Consumer products have proved to be a generator of stable margins for the bank over the last couple of years based on a well devised strategy.

Unsecured Portfolio

Unsecured Consumer loans include Personal Installment Loan, Ready Line and Credit Cards. During the Year 2015 this portfolio maintained its leadership position amongst peer banks, and at the end of the year, the Ending Net Receivables in Unsecured products were Rs. 11 billion contributing Rs. 518 million to earnings before interest & taxes.

Director's Report

For the year ended December 31, 2015

Personal Loan

Silkbank Personal loan, a monthly installment based loan launched in November 2010 has now entered into its 6th year with 19,877 active customers and a total receivable of Rs. 4,520 million.

Keeping in view the existing market trends, various new initiatives were taken throughout the year. This included multiple innovative and exciting promotions / campaigns such as, "Apply for 5 years and pay markup for 4", "Balance transfer on lower rate", and "50% processing fee waiver for matured customers if they wish to re-apply" etc. As part of the strategy and to take advantage of the existing customer base, the Bank also increased its emphasis on Loan Top-ups which not only helped the Bank in improving portfolio yields but also in retaining the profitable customers.

Ready Line

Silkbank Ready Line, an unsecured running finance facility which allows customers to have speedy access to available funds without any collateral or security has become quite popular. This facility launched in July 2011 has grown tremendously over the years and now has a receivable of Rs. 4,044 million with 26,087 active borrowers at the end of 2015. The primary focus during the year was to attract customers by channelizing their existing spend onto Ready Line through various spend campaigns offering prizes through lucky draws.

In addition to the above, multiple campaigns were also launched throughout the year customers to enroll for e-billing and SMS alert facilities by incentivizing them with chances to win exciting prizes such as, iPad mini, LED TV, iPhone 6 etc. This not only played a key part in generating non funded income and rationalizing stationery / courier costs but also helped in reducing customer complaints related to bill deliveries.

Credit Cards

Credit Cards continued to grow aggressively during the year 2015. The total base crossed 65,000 cards and the receivables jumped by Rs. 580 million to close at Rs. 2,459 million. The Silkbank Credit Card since its launch has created a perception of a real value provider in the industry based on the 0% APR offer coupled with the "Surprisingly Silkbank" retail alliances.

Secured Portfolio

Silkbank M'Power, a product secured against residential and commercial property has a total of 561 active borrowers with receivables of Rs. 3,565 million. Fresh lending however is currently on hold to enable more focus on high yielding products.

Home Remittance

The Home Remittance business disbursed Rs. 23,571 billion recording a growth of 11.03% compared to the previous year with a potential for further expansion.

Alternative Delivery Channels (ADC)

The Silkbank VISA Debit Card ("VDC") continued to show strong growth and card numbers increased to 101,960 showing a growth of 7.68% compared to last year and VDC usage over Point of Sales and ATM showed an increase of 22.10% and 12.69% respectively.

Bancassurance

The Bancassurance initiative under the Wealth Management product suite was initiated in the year 2008 and the Bank now manages over 8,500 policies and premiums of over Rs. 500 million as at December 31, 2015. During the year 2015, the business recorded a total revenue of Rs. 44.5 million with 887 covers, and maintained a strong renewal persistency ratio of 75% for which the Bank was awarded a bonus by its insurance partners.

Emaan Islamic Banking

Emaan Islamic Banking has successfully completed its third year of operations in 2015. The year as reported above was fairly challenging for the banking industry as a whole, but Emaan Islamic Banking maintained its position by efficiently managing its existing portfolio and also introducing new products & services to ensure growth.

Emaan Islamic Banking deposits at the end of 2015 were Rs. 6.6 billion with a healthy CASA mix of 72% and a cost of deposit of 4.81%. With a portfolio of quality assets the ADR was 70% with a total financing of Rs. 4.6 billion (Murabaha - Rs. 3.2 billion, Musawama - Rs. 0.943 billion & Diminishing Musharaka - Rs. 0.424 billion). The Bank has also launched Letter of Credit and Letter of Guarantee products of Rs. 0.295 billion and Rs. 0.991 billion respectively during the year.

Emaan Service Quality has been on top priority and the unit prides itself in having Service Quality embedded into every process. As a result, the unit performed extremely well in the ongoing internal service ratings and achieved a "Very Good" in the last review.

Technology

A number of technology based initiatives were taken by the Bank to enhance customer experiences. During the year, VbV (Verified by Visa) was launched by the Bank to enable credit card customers to conduct Internet based transactions with convenience & security. The Bank has launched "SilkMobile" for customers to enable mobile based account access.

The Bank has also launched its mobile application ("app") which provides a host of features, branch / ATM locators and details on discounts & alliances. The Bank also strengthened its back end technology infrastructure by establishing a new state of the art data-center which will further strengthen service delivery to customers by providing maximum uptime.

Human Resource

In 2015, our Learning & Development focus was on Functional & System related trainings as well as training in Product, Sales and Service. Several mid-career and senior executives were also imparted training at leading Business Schools including IBA, IBP and LUMS and Learning & Development initiated programs through Computer Based Testing (CBT) and introduced an e-Learning Digital Library. The hiring process was automated to reduce the turnaround time and cost and in compliance of the Code of Corporate Governance, HRD launched a Code of Ethics awareness program amongst staff. For better employee engagement, the Bank launched a "SilkClub" for its employees, aimed at developing informal relationships to foster greater camaraderie and teamwork amongst staff, as well as enhancing interdepartmental coordination.

Director's Report

For the year ended December 31, 2015

Special Asset Management Group (SAMG)

The SAMG of the Bank has once again exceeded its objectives during the year, and contributed a net amount of Rs. 1,968 million to the P&L Account with a total NPL reduction of Rs. 2,166 million. The SAM team has also recovered an amount of Rs. 4 million during the year and the Real Estate Asset Management team has successfully sold various Other Real Estate Owned (OREO) properties worth Rs. 819 million during the year.

Risk Management Group (RMG)

The RMG continues to provide effective support to business units alongwith keeping a close watch on the asset portfolio quality.

During the year, RMG carried out an industry wide review of exposures in the background of the prevalent economic conditions and has also revised the Credit Policy Manual in accordance with the amendments made by SBP in Prudential Regulations. RMG maintains a customer's "Watch list" and has devised a joint strategy for the smooth functioning of accounts in consultation with business units, and has regularly reviewed Risk Acceptance Criteria and diligently reviewed classifications and provisioning in close liaison with business units, every quarter. In addition in conjunction with IT, it has developed improved reporting systems in line with the latest requirements and exploit the new system T-24 to the fullest. Independent monitoring of the treasury function through the middle office was implemented during the year through a Web Tech system which essentially allows monitoring under a live environment. Consistent realignment of the Credit Administration Department (CAD) was also established to achieve better monitoring and controls and finally, digitization of security documents was completed to achieve better record keeping and time saving.

Service & Quality

In line with the core values of the Bank, our staff had shown unrelentless and strong emphasis on consistent and superb service delivery. This is evident from the Mystery Shopping results of 92% customer satisfaction and a Net Promoter Score of 57%, based on an independent research.

Corporate Social Responsibility

The Bank is committed to grow its business in a way that is profitable and sustainable for its employees & the communities it operates in. The Bank continued to provide support to a wide array of causes and this year supported programs for education & health, preservation of culture & history and promotion of youth & sports. The Bank's leadership also endorsed corporate initiatives for developing automation systems and processes for a paperless environment and energy conservation.

Board of Directors

In order to fill the casual vacancy on the Board arising due to the resignation of Mr. Faisal Anis Sherwani, Nominee Director of Nomura European Investment Ltd, with effect from October 29, 2015, M/s. Arif Habib Corporation Limited, now a major shareholder of the Bank, has nominated a Director on the Board of the Bank with effect from January 18, 2016. The FPT documents of the nominee director have been submitted to the SBP for clearance.

The Board warmly extends its appreciation to Mr. Faisal Anis Sherwani for his valuable contribution to the Board. The current composition of the Board is as under:

Types of Director	No of Directors
Independent Director	4
Non-Executive Director	2
Executive Director	2

Directors' Training

The Board has been provided with the revised Code along with briefings on various occasions in order for them to properly oversee the affairs of the Bank. Three Directors of the Bank have obtained certification from Pakistan Institute of Corporate Governance (PICG), whereas, three Directors of the Bank stand exempted from the requirement of the said certification and the remaining Directors will obtain it within the prescribed time. During the year, a session for Directors Orientation Course was also conducted, covering the applicable laws, rules and regulations under the Code of Corporate Governance, Prudential Regulations for Corporate and Commercial Banking, Companies Ordinance, 1984 and Banking Companies Ordinance, 1962.

Corporate and Financial Reporting Framework

The Board is committed to its responsibilities under the Code of Corporate Governance of the SECP. In doing so, it wishes to make the following statements:

- a) The financial statements prepared by the management of the Bank, present fairly its state of affairs, the result of its operation, cash flow and changes in equity.
- b) Proper books of account of the Bank have been maintained.
- c) Appropriate accounting policies have been consistently applied in preparation of financial statements and accounting estimates are based on reasonable and prudent judgment.
- d) International Financial Reporting Standards as applicable in Pakistan have been followed in preparation of financial statements and any departure there from has been adequately disclosed.
- e) The system of internal control is sound in design and has been effectively implemented and monitored. Management's statement on internal control is enclosed herewith which is endorsed by the Board as required by the State Bank of Pakistan. The Board is ultimately responsible for the Bank's system of internal control and reviewing its effectiveness. However, such a system is designed to manage rather than eliminate the risk of failure to achieve objectives and by its nature can provide only reasonable and not absolute assurance against material misstatement or loss.

The process used by the Board to review the effectiveness of the system of internal control includes, inter alia, the following:

- i) An audit committee has been formed which has written terms of reference and reports to the Board. It reviews the approach adopted by the Bank's internal audit department, as well as the scope of and its relationship with the external auditors. It also receives reports from the internal audit, and any material control weakness that is identified is discussed and agreed actions are taken in areas of concern.
- ii) An organization structure has been established which supports clear lines of communication and tiered levels of authority with the delegation of appropriate responsibility and accountability.
- iii) Business strategies agreed at divisional level were approved by the Board. In addition there is an annual budgeting and strategic planning process. These strategies are reviewed during the year to reflect any significant changes in the business environment.
- iv) The principal features of control framework include:
 - Evaluation and approvals procedures for major capital expenditure and other transactions.
 - Regular reporting and monitoring of financial performance using operating statistics and monthly managements accounts which highlight key performance indicators and variance from budget and quarterly forecasts.
 - Review of the health, safety, environment and contingency management processes and other significant policies.
 - Further, reviews of the system of internal control are also carried out by the internal audit department and management conclusions on internal control are confirmed by divisional management to the Board.
 - There are no significant doubts upon the Bank's ability to continue as a going concern.
 - There has been no material departure from the best practices of corporate governance, as detailed in the listing regulations.

Director's Report

For the year ended December 31, 2015

Risk Management Framework

Concerted efforts have been carried out over the years for improvement of the Risk Management function which have resulted in better control & risk environment plus creating an overall "Risk Culture" within the Bank. With the growing shift towards Basel Implementation and enhanced focus for management of risk on an integrated basis following are some important aspects of the Risk Management Function at Silk Bank Limited:-

a) Credit Risk

Managing of credit risk is considered the key function at RMG. Independent Risk Management Units catering to the Corporate / Commercial / SME and Consumer segments are fully operational and clearly follow the laid out Procedures formulated in the form of Policies / Manuals and Product Programs. Credit Risk is thus continuously monitored by the respective sanctioning units. Broad based Credit Approval Authorities have also been delegated to various approvers for credit sign off. Credit Administration units are in place for all segments of the Bank, effectively handling all documentation and safe keeping. The Bank has developed in-house Obligor Risk Rating (ORR) models / systems for Corporate, Commercial and SMEs, which are regularly reviewed/ updated. RMG also has a robust Early Warning System (EWS) reporting in place. These processes are capable of identifying problem loans at an early stage for timely remedial actions. Results for establishing these systems are now beginning to reflect in the management letter issued by the external auditors and the annual reports complied by the SBP inspection teams through reduced instances of system and procedure failures.

Under Consumer Banking, a separate collection unit operates for follow-up and recovery of loans. A centralized Special Assets Management Unit is also in place and is primarily responsible for handling the NPL accounts and recovery process. The unit is performing its task in a very professional and efficient manner. Besides various management committees of the Bank, Credit Risk is also overviewed by the Risk Committee of the Board on an ongoing basis. Regular guidance is sought from the Board on credit related matters and the findings implemented in letter and spirit. Marked reduction in NPL portfolio has ensued resultantly.

b) Market Risk

A Middle Office function (independent of the Treasury) has been established within the Bank with the primary responsibility of monitoring the Market Risk function and onward reporting to the Head of Risk Management Group. Investment Committee (IC), Market Risk Policy Committee (MRPC) and Asset and Liabilities Committee (ALCO) are also functioning to supervise and approve Market Risk exposures. At Silkbank, we have a well-defined Liquidity Policy, duly approved by the Board. Presently, various excel based tools are in use to generate MIS on Market Risk and reporting to the senior management and regulators. We have also successfully set up the "Web Tech system and T-Risk Module" which is capable of generating sophisticated modeling reports and independent monitoring of various treasury functions in a live environment.

c) Operational Risk

Under Operational Risk, appropriate Operational Policies and Procedures have been documented and disseminated for managing Operational Risk on a Bank wide basis. Operational Risk Manual has since been prepared and approved by the Board. Risk Control self-assessment questionnaires have also been sent across to various segments of the Bank and based on their feedback we plan to implement the process on a Bank wide basis during the current year.

An Internal Control Unit is also operational with the primary task of overseeing and ensuring implementation of various operational guidelines and monitoring tools and reconciliation across the Bank. Additionally, an independent Internal Audit function is also in place within the Bank, reporting to the Audit Committee of the Board. A Proper Compliance Department is also functional, inter alia to ensure that all legal and regulatory requirements are properly addressed in addition to the implementation of Anti Money Laundering and Know your Customer (AML/KYC) Policies.

In this respect, appropriate training to relevant staff has been imparted including training on strict monitoring of transactions and AML/KYC. Business Continuity Plan (BCP) is also in place to deal with any eventuality. Self-Assessment of Key Risk Indicators (KRI's) and compliance of standards, codes and guidelines is regularly carried out and documented.

Board of Director's Meetings during 2015

During the year 2015, following Board and its Committees meetings were held. Attendances by the Directors were as follows:

Directors	Board Meetings		Audit Committee Meetings		Human Resource Committee Meetings		Risk Committee Meetings	
	Held	Attended	Held	Attended	Held	Attended	Held	Attended
Mr. Munnawar Hamid, OBE	4	4			2	2		
Mr. Sadeq Sayeed	4	4			2	-	4	4
Mr. Tariq Iqbal Khan, FCA	4	4	5	5				
Mr. Shamsul Hasan	4	4					4	4
Mr. Faisal Anis Sherwani	3	1	3	2			2	-
Mr. Khalid Aziz Mirza	4	4			4	4		
Mr. Adnan Afridi	4	4	5	5				
Mr. Talha Saeed Ahmed	3	3	2	2				
Mr. Azmat Tarin	4	4			4	4		

Leave of absence was granted to the Directors who could not attend the meeting.

01	CDC - Trustee NAFA Stock Fund	4,250,000			0.05%
02	CDC - Trustee National Investment (Unit) Trust	20,880,417			0.27%

*In terms of Board Resolution dated December 10, 2015, Mr. Shaukat Tarin has further transferred 299,441,176 shares of the Bank to individuals, not falling within the category of sponsors of the Bank. The current shareholding of Mr. Shaukat Tarin in the Bank is **1,106,091,792 shares**. These shares include one hundred and two million (102,000,000) shares of Mr. Shaukat Tarin placed with Pearl Securities Limited.

During the year, Mr. Ejaz Ahmed Malik, Regional Head - Real Estate Asset Management has purchased 200,000 shares from the open market. The Bank has reported the same to the Stock Exchanges under chapter V, regulation 16 (6) of the Listing Regulations. Apart from this, there was no other trading in Silkbank shares carried out by any of the Directors and Executives or their spouses and minor children during the year, apart from subscribing to the Rights Issue as per their entitlements.

Auditors

The retiring auditors, being eligible, offer themselves for re-appointment till the conclusion of the next Annual General Meeting. The Audit Committee of the Board has recommended M/s. Deloitte Yousuf Adil, Chartered Accountants, the retiring auditors, as the statutory auditors of the Bank for the financial year 2016.

Credit Rating

The long term entity rating of the Bank is A- (Single A Minus) and the short term rating is A-2 (A-Two) as determined by "JCR VIS" Credit Rating Company Limited. The outlook on the assigned rating is "Stable".

Future Outlook

The Directors as stated in the beginning of this report, are pleased that the Bank has received Rs. 10 billion (Rupees ten billion) in its Right Shares Subscription Account. This includes an advance of Rs. 2 billion from a strategic investor, whose clearance is awaited from SBP before shares can be issued. Therefore as of December 31, 2015, the Bank has issued 5,128,205,128 shares of a total value Rs. 8.00 billion as a result of which the Issued Share Capital of the Bank has increased to 7,799,809,955 shares.

Silkbank continues to be backed by strong international sponsors, which include IFC (World Bank Group), Nomura European Investments, Bank Muscat and Mr. Shaukat Tarin. After the Rights Issue the group has been further strengthened by the inclusion of Arif Habib Corporation Limited and the Gourmet group, and will continue to be led by Mr. Shaukat Tarin.

In 2016, the Bank shall continue to pursue its goals to be the top service provider in the Banking industry. With the inflow of the new capital, the Bank is expected increase its distribution footprint by opening new branches both on the conventional as well as the Islamic Banking sides at strategic locations all over the country. This would enhance the Bank's ability to mobilize deposits and subsequently lend and invest in earning assets. At the same time, the non-earning assets of the Bank will be reduced by disposal of OREO assets, as well as Bank owned properties to accrue additional capital gains, and expenses will be rationalized further so that funding of future growth is through the existing cost base. These two major strategic elements will be supported by a continued and stronger focus on the ongoing productivity initiatives, quality improvement of the customer franchise and growth in higher earning assets.

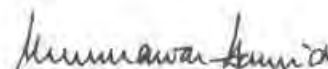

The Bank is fully conscious that growing profitably in a challenging environment necessitates the establishment of a high quality HR management platform to ensure the identification, development, motivation and retention of high potential employees. All measure are being ensured to this end.

With the base so far established and the various new strategies now practically possible, your Directors are very hopeful that a profitable growth of the Bank will commence in the current year.

Acknowledgement

We take this opportunity to express our deepest gratitude to our customers and business partners for their continued support and trust, and our sincere appreciation to the State Bank of Pakistan for their guidance and cooperation extended to the Bank. We are also equally thankful to our associates, staff and colleagues for their committed services to the Bank, and look forward to their continued support.

For and on Behalf of the Board of
Silkbank Limited

Munnawar Hamid, OBE
Chairman

Karachi, February 28, 2016

Statement of Compliance with the Code of Corporate Governance

for the year ended December 31, 2015

This statement is being presented to comply with the Code of Corporate Governance ("the CCG") contained in Regulation No. 5.19 of Rule Book of Pakistan Stock Exchange Limited (PSX) for the purpose of establishing a framework of good governance, whereby a listed Company is managed in compliance with the best practices of corporate governance.

The Bank has applied the principles contained in the CCG in the following manner:

1. The Bank encourages representation of independent non-executive directors and directors representing minority interests on its Board of directors (the Board). At present the Board includes:

Category	Names
Independent Directors	Mr. Munnawar Hamid, OBE Mr. Tariq Iqbal Khan, FCA Mr. Khalid Aziz Mirza Mr. Shamsul Hasan
Non-Executive Directors	Mr. Sadeq Sayeed Mr. Adnan Afridi
Executive Directors	Mr. Talha Saeed Ahmed Mr. Azmat Tarin

The independent directors meet the criteria of independence under clause (b) of 5.19.1. of PSX Rulebook.

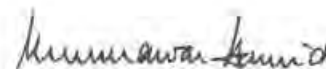

2. The Directors have confirmed that none of them is serving as a director on more than seven listed companies, including this Bank.
3. All the resident Directors of the Bank are registered as taxpayers and none of them has defaulted in payment of any loan to a banking company, a DFI or an NBFIs or, being a member of a stock exchange, has been declared as a defaulter by that stock exchange.
4. A casual vacancy occurred in the Board on October 29, 2015, which was filled on January 18, 2016 within 90 day period as mentioned in the CCG.
5. The Bank has prepared a "Code of Conduct" and has ensured that appropriate steps have been taken to disseminate it throughout the Bank along with its supporting policies and procedures.
6. The Board has developed a vision / mission statement, overall corporate strategy and significant policies of the Bank. A complete record of particulars of significant policies along with the dates on which they were approved or amended has been maintained.
7. All the powers of the Board have been duly exercised and decisions on material transactions, including appointment and determination of remuneration and terms and conditions of employment of the CEO, other executive and non-executive directors, have been taken by the Board.
8. The meetings of the Board were presided over by the Chairman and, in his absence, by a Director elected by the Board for this purpose, and the Board met at least once in every quarter. Written notices of the Board meetings, along with agenda and working papers were appropriately recorded and circulated before the meetings. The minutes of the meetings were appropriately recorded and circulated.
9. During the year, a session for Directors Orientation Course was conducted, covering the applicable laws, rules and regulations under the Code of Corporate Governance, Prudential Regulations (PRS) for Corporate and Commercial Banking, Companies Ordinance, 1984 and Banking Companies Ordinance, 1962. All the Directors on the Board are fully conversant with their duties and responsibilities as Directors of the Bank. Three Directors have obtained certification from Pakistan Institute of Corporate Governance (PICG), whereas, three Directors of the Bank stand exempted from the requirement of the said certification. The remaining Directors will obtain required certification within the prescribed time.

10. The Board has approved appointment of CFO, including his remuneration and terms and conditions of employment. Furthermore, no new appointments of Company Secretary and Head of Internal Audit were made during the year.
11. The Directors' report for this year has been prepared in compliance with the requirements of the CCG and fully describes the salient matters required to be disclosed.
12. The financial statements of the Bank were duly endorsed by the CEO and CFO, before approval of the Board.
13. The Directors, CEO and executives do not hold any interest in the shares of the Bank other than that disclosed in the pattern of shareholding.
14. The Bank has complied with all the corporate and financial reporting requirements of the CCG.
15. The Board has formed an Audit Committee. It comprises of three (3) members of whom two are non-executive directors and one is executive director. Chairman of the committee is an independent director who is not the chairman of the Board. The CCG does not allow an executive director to be a member of the Audit Committee, however, there is no explicit restriction on appointment of executive director as member of audit committee as per Prudential Regulations for Corporate / Commercial Banking.
16. The meetings of the audit committee were held at least once every quarter prior to approval of interim and final results of the Bank as required by the CCG. The terms of reference of the committee have been formed and advised to the committee for compliance.
17. The Board has formed Human Resource Committee. It comprises of three members of whom two are independent directors and one member is an executive director. The chairman of the committee is an independent director.
18. The Board has set up an internal audit function with qualified and experienced professionals, who are duly conversant with the policies and procedures of the Bank.
19. The statutory auditors of the Bank have confirmed that they have been given a satisfactory rating under the quality control review program of the ICAP, that they, or any of the partners of the firm, their spouses and minor children, do not hold shares of the Bank and that the firm and all its partners are in compliance with International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by the ICAP.
20. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the listing regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.
21. The 'closed period', prior to the announcement of interim / final results, and business decisions, which may materially affect the market price of Bank's securities, was determined and intimated to directors, employees and stock exchange.
22. Material / price sensitive information has been disseminated among all market participants at once, through the stock exchange.
23. We confirm that all other material principles enshrined in the CCG have been complied with.

For and on Behalf of the Board of
Silkbank Limited

Management's Statement on Internal Controls

as of December 31, 2015

This statement is issued in compliance with the State Bank of Pakistan (SBP) BSD Circular No: 07 of 2004 on Internal Controls.

Designing and implementing effective and efficient Internal Controls in compliance with the statutory requirements is among vital functions of Management. The focus of Internal Controls both as a concept and a management tool has evolved over the years to a broad based risk assessment and mitigation system covering all areas of operations in the Bank.

As part of the strategy to ensure effective monitoring and improvement of Internal Controls, the Bank has implemented the COSO framework of Internal Controls, in line with regulatory guidelines (ICFR) and COSO implementation (BSD-7). With regular monitoring and improvement of the defined controls, the overall control environment in the Bank is now geared to provide reasonable assurance to the Bank's management and other stakeholders.

The Bank's Internal Controls System has been designed to provide reasonable assurance to the shareholders and the Board of Directors; however, these systems may not entirely eliminate the risk of misreporting and failure of certain controls under a changing environment. The Bank endeavors to follow the SBP's guidelines on Internal Controls. During the year, the Management has further strengthened the day-to-day monitoring of control breaches for prompt corrective actions. Compliance and Internal Controls Division conducted reviews of processes in branches to identify gaps in execution with special emphasis on the implementation of regulatory instructions. Internal Audit also performed audit activities to evaluate the implementation of controls and ensure the existence of effective control environment throughout the Bank.

Over the years, the Management has been able to adopt strategy to ensure effective monitoring and improvement of Internal Controls. These include the followings:

1. The Bank has adopted a statement of ethics and business practices that is signed by all directors and employees. Further, the compliance function also ensures Bank's compliance with all applicable laws, regulations and code of ethics.
2. An organization structure has been established which supports clear lines of communication and tiered levels of authority and segregation of duties commensurate with accountability.
3. The Bank has established an effective Internal Audit and Business Risk Review structure, reporting directly to the Audit Committee of the Board.
4. An Internal Controls Division is established to proactively monitor and validate controls in line with Regulatory guidelines (ICFR) and COSO implementation (BSD-7).
5. The significant and material findings of the internal & external auditors and regulators were addressed on a priority basis by the Management and their status was periodically reported to the Board Audit Committee.
6. The Bank has implemented various key policies and procedure guidelines/manuals covering all the areas of management and operations including those related to Branch Banking Operations, Centralized Operations, Trade Business, Treasury, Credit Risk, HR, Finance, Compliance and Administration.
7. Management gives due consideration to the recommendations made by the internal and external auditors for improvements in the Internal Controls System and takes action to implement such recommendations.

8. The Management has established evaluation and approval procedures for all major capital expenditure and other transactions.
9. There is an annual budgeting and strategic planning process in the Bank. Financial forecasts are reviewed on a periodical basis to reflect significant change in the business environment. Regular reporting and monitoring of financial performance of the departments and the Bank as a whole has been implemented, using statistics and monthly management accounts to highlight key performance indicators and variance from budgets and forecasts.
10. The Bank has implemented various significant policies covering all the areas of operations including those relating to employees welfare and contingency management processes.
11. Management also emphasizes on imparting of training to enhance knowledge and understanding of the Bank's internal policies and procedures and prudential regulations. This has greatly contributed towards strengthening of the control environment.
12. As required by SBP, the External Auditors were engaged by the Bank to prepare a Long Form Report (LFR) on Internal Controls over Financial Reporting (ICFR) for the year ending December 31, 2014, which was later submitted to SBP on March 31, 2015. During the year, Internal Controls Division as well as Internal Audit carried out testing of the effectiveness of ICFR prevalent throughout the Bank.

The Bank is continuously making efforts to ensure that an effective and efficient Internal Controls System remains active and implemented through consistent and periodic monitoring that would help further strengthening of the overall control environment.

With the implementation of COSO framework (under the SBP guidelines on Internal Controls) and regular monitoring of the defined controls, the overall control environment in the Bank is geared to provide reasonable assurance to the Bank's Management, Stakeholders and Board of Directors, which we believe will continue to further improve with time.

Azmat Tarin
President & CEO

Karachi, February 28, 2016

Notice of the 22nd Annual General Meeting

Notice is hereby given that the Twenty Second Annual General Meeting of Silkbank Limited will be held on Monday, March 28, 2016 at 11:00 am at Best Western Hotel, Islamabad, to transact the following business.

Ordinary Business:

1. To confirm the minutes of Twenty First Annual General Meeting held on March 24, 2015.
2. To receive, consider and adopt the audited financial statements of the Bank for the year ended December 31, 2015 together with the Directors' and Auditors' reports thereon.
3. To appoint auditors to hold office till the conclusion of the next Annual General Meeting and to fix their remuneration.

Special Business:

To pass the following resolutions, as special resolution, with or without modifications, additions or deletions:

1. Alteration in Articles of Association of the Bank.

To consider and if thought fit, the alteration in the Articles of Association of the Bank, as follows. The alteration in Articles of Association of the Bank is subject to the necessary approval from the State Bank of Pakistan and confirmation from the Securities and Exchange Commission of Pakistan.

- (i) Article 109 of the Articles of Association of the Company be and is hereby substituted by the following Article:

109) Dealing with Directors:

"Any dealing with the Directors shall be in accordance with the Companies Ordinance, 1984, as amended from time to time and the regulations/notifications issued by the State Bank of Pakistan and/or the Commission, from time to time"

- (ii) Definition of "Code of Corporate Governance" as defined in the Definitions at Point No. 2 (vi) of Articles of Association of the Company be and is hereby substituted by the following Definition:

Code of Corporate Governance:

"Code of Corporate Governance means the Code of Corporate Governance introduced in 2012 by the Commission and any change made therein, from time to time"

- (iii) Following para will be added in Article No. 85 of Articles of Association of the Company:

85) Proxies:

"In case of E-voting, both members and non-members can be appointed as proxy in accordance with procedure for appointment as formulated by the Company in compliance of Companies (E-voting) Regulations, 2016, as amended from time to time."

2. To approve the scale of fee payable to the Chairman and to Non-Executive and Independent Directors for attending Board and Committee meeting.

To consider and if thought fit, pass the following resolutions as an ordinary resolution:

"Resolved that the scale of fee as determined by the Directors, for attending Board and Committee meetings of the Directors, be and is hereby approved on post facto basis, as under:

- Board meeting: Pak Rs. 635,000/- for the Chairman and Pak Rs. 475,000/- for other members.
- Committee's meetings: Pak Rs. 475,000/- for the Chairmen as well as for the members."

Statement of Material Facts under Section 160(1) (b) of the Companies Ordinance, 1984 relating to the said Special Business:

1.1 Alteration in Article 109 of the Articles of Association of the Company:

In order to align the Articles with the updated regulations, the Board of Directors of the Company has decided to alter Article 109 of the Articles of Association of the Company in accordance with the Companies Ordinance, 1984 and the State Bank of Pakistan requirements, from time to time.

1.2 Definition of "Code of Corporate Governance":

In order to align the Articles of Association of the Company with the best practices in Corporate Governance, the SECP has revised the Code of Corporate Governance in 2012. Therefore, the Board of Directors of the Company has decided to amend Clause 2 (vi) of the Articles of Association of the Company accordingly.

1.3 To appoint both members and non-members as proxy for E-voting:

The Securities and Exchange Commission of Pakistan (SECP) has introduced the E-voting Regulations 2016 dated January 22, 2016, making shareholders as part of the decision-making process of their company through electronic means to the extent provided by the law.

In compliance of the said regulations, the Board of Directors of the Company has resolved to amend the Articles of Association of the Company accordingly.

The proposed amendment is being made in the Articles of Association to align the Articles with the required regulations:

2.1 Director's Remuneration in Pak Rupees:

The shareholders of the Bank in their 21st Annual General Meeting held on March 24, 2015, had approved the Director's Remuneration for attending Board and Committee's meetings as follows:

	Remuneration for attending Board meeting	Remuneration for attending Committee meetings
Chairman	US \$ 6,000/-	US \$ 4,500/-
Board Members	US \$ 4,500/-	US \$ 4,500/-

The Board in its 148th meeting held on October 29, 2015, decided to pay Director's Remuneration in Pak Rupees instead of US\$, in following manner.

	Remuneration for attending Board meeting	Remuneration for attending Committee meetings
Chairman	Pak Rs. 635,000/-	Pak Rs. 475,000/-
Board Members	Pak Rs. 475,000/-	Pak Rs. 475,000/-

Any Other Business:

To transact any other business with the permission of the Chair.

By the Order of the Board

Uzman Naveed Chaudhary
Company Secretary/Head of
Investor Relations and Legal Affairs

Karachi, March 04, 2016

Review Report to The Members on Statement of Compliance with the Best Practices of Code of Corporate Governance

We have reviewed the enclosed Statement of Compliance with the best practices (the Statement) contained in the Code of Corporate Governance (the Code) prepared by the Board of Directors of Silkbank Limited (the Bank) for the year ended December 31, 2015 to comply with the Regulation No. 5.19 of the Rule Book of Pakistan Stock Exchange Limited (PSX) where the Bank is listed.

The responsibility for compliance with the Code is that of the Board of Directors (the Board) of the Bank. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement reflects the status of the Bank's compliance with the provisions of the Code and report if it does not and to highlight any non-compliance with the requirements of the Code. A review is limited primarily to inquiries of the Bank's personnel and review of various documents prepared by the Bank to comply with the Code.

As part of our audit of the financial statements, we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board's statement on internal control covers all risks and controls, or to form an opinion on the effectiveness of such internal controls, the Bank's corporate governance procedures and risks.

The Code requires the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board for their review and approval its related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price and recording proper justification for using such alternate pricing mechanism. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board upon recommendation of the Audit Committee. We have not carried out any procedures to determine whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the accompanying Statement does not appropriately reflect the Bank's compliance, in all material respects, with the best practices contained in the Code as applicable to the Bank for the year ended December 31, 2015.

Further, we highlight below instance of non-compliance with the requirement of the Code as reflected in the paragraph reference where it is stated in the Statement:

Paragraph reference	Description
15	A member of audit committee is an executive director of the Bank, which is not in conformity with para 5.19.16 of the Code, however, Regulation G-1 of Prudential Regulation for corporate / commercial banking does not restrict the appointment of an executive director in the audit committee.

Auditors' Report to the Members

We have audited the annexed statement of financial position of Silkbank Limited (the Bank) as at December 31, 2015 and the related profit and loss account, statement of comprehensive income, cash flow statement and statement of changes in equity together with the notes forming part thereof (here-in-after referred to as the 'financial statements') for the year then ended, in which are incorporated the unaudited certified returns from the branches except for nine branches which have been audited by us and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit.

It is the responsibility of the Bank's Board of Directors to establish and maintain a system of internal control, and prepare and present the financial statements in conformity with approved accounting standards and the requirements of the Banking Companies Ordinance, 1962 (LVII of 1962), and the Companies Ordinance, 1984 (XLVII of 1984). Our responsibility is to express an opinion on these statements based on our audit.

We conducted our audit in accordance with the International Standards on Auditing as applicable in Pakistan. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of any material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting policies and significant estimates made by management, as well as, evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion and after due verification, which in the case of loans and advances covered more than sixty percent of the total loans and advances of the Bank, we report that:

- a) in our opinion, proper books of account have been kept by the Bank as required by the Companies Ordinance, 1984 (XLVII of 1984), and the returns referred to above received from the branches have been found adequate for the purposes of our audit;
- b) in our opinion:
 - i) the statement of financial position and profit and loss account together with the notes thereon have been drawn up in conformity with the Banking Companies Ordinance, 1962 (LVII of 1962), and the Companies Ordinance, 1984 (XLVII of 1984), and are in agreement with the books of account and are further in accordance with accounting policies consistently applied;
 - ii) the expenditure incurred during the year was for the purpose of the Bank's business; and
 - iii) the business conducted, investments made and the expenditure incurred during the year were in accordance with the objects of the Bank and the transactions of the Bank which have come to our notice have been within the powers of the Bank;
- c) in our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, profit and loss account, statement of comprehensive income, cash flow statement and statement of changes in equity together with the notes forming part thereof conform with approved accounting standards as applicable in Pakistan, and give the information required by the Banking Companies Ordinance, 1962 (LVII of 1962), and the Companies Ordinance, 1984 (XLVII of 1984), in the manner so required and give a true and fair view of the state of the Bank's affairs as at the December 31, 2015 and its true balance of loss, its comprehensive income, its cash flows and changes in equity for the year then ended; and

- d) in our opinion Zakat deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980), was deducted by the Bank and deposited in the Central Zakat Fund established under section 7 of that Ordinance.

We draw attention to the following matters:

- i. Note 13 to the financial statements relating to deferred tax assets where management has disclosed that the Bank, based on financial projections for taxable profits for five years, which have been approved by the Board of Directors, will be able to realise the net deferred tax assets of Rs. 4,181 million. The preparation of projections involve management's assumptions regarding future business and economic conditions and therefore any significant change in such assumptions or actual outcome that is different from assumptions, may have an effect on the realisability of the deferred tax assets in future.
- ii. Note 14 to the financial statements, which highlights significant increase in the non-banking assets (NBAs) acquired in satisfaction of claims during the year, and such assets amounted to Rs. 10,585 million (net of impairment) as at December 31, 2015. We are highlighting this matter owing to significant uncertainty with regard to the disposal and recovery of such assets in near future.

Our opinion is not qualified with respect to above matters.

Report of the Shari'a Board Emaan Islamic Banking, Silkbank Ltd.

For the year ended December 31, 2015

February 26, 2016

While the Board of Directors (BOD) and Senior Management are solely responsible to ensure that the operations of Emaan Islamic Banking (EIB) are conducted in a manner that comply with Shari'a principles at all times, we are required to submit a report on the overall Shari'a compliance environment of EIB.

To form our opinion as expressed in this report, the Shari'a Compliance Department (SCD) of the bank carried out reviews, on test check basis, of each class of transactions, with the relevant documentation and process flows. Furthermore, we have also reviewed the work of the internal Shari'a review. Based on the above and in light of the information submitted to the Shari'a Board (SB), we are of the view that:

- i. EIB has complied with Shari'a rules and principles in the light of fatawa, rulings and guidelines issued by the SB. Different Shari'a-compliant products were developed in collaboration with different departments of the Bank and approved by the SB. Furthermore, the SB reviewed and endorsed all relevant documents and material that were submitted to it for its approval.
- ii. EIB has complied with directives, regulations, instructions and guidelines related to Shari'a compliance issued by SBP in accordance with the rulings of SBP's Shari'a Board.

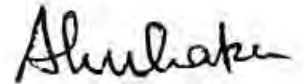

- iii. The Shari'a Governance Framework (SGF) has been circulated to the BOD and Senior Management of the Bank. The Shari'a Compliance Manual of EIB is also being reviewed and updated in light of the SGF.
- iv. EIB has prepared a comprehensive Charity Policy and developed a well-defined system in order to ensure that any earnings realized from sources or by means prohibited by Shari'a are credited to the Charity Account and are properly utilized. However, no amounts were credited to the Charity account during the year 2015.
- v. The schedules of charges (SOCs) that were periodically submitted for Shari'a approval have been reviewed, necessary amendments made, and those charges vetted that were in compliance with the principles of Shari'a.
- vi. The allocation of funds, weightages, profit sharing ratios, and the monthly distribution of profits amongst the shareholders and remunerative accountholders has been made in line with the principles of Shari'a and SBP instructions on profit and loss distribution and pool management. All the profit calculations made on a monthly basis till date have been reviewed, amended where appropriate, and approved from a Shari'a point of view.
- vii. The Bank has implemented a program for the training of the Bank's staff in areas of Islamic Banking and Finance, with a series of comprehensive training sessions on 'Basic Concepts of Islamic Banking and Finance'; 'Understanding Riba'; 'Gharar and Qimar'; and 'An Introduction to Takaful' in Islamabad, Lahore and Karachi. Moreover, the SCD, in collaboration with the HR Department of the Bank is planning to conduct Shari'a orientation programs for the BOD and Senior Management and training programs for those staff of the Bank who are involved in Islamic Banking operations.
- viii. EIB has constituted a Shari'a Compliance Department, and is in the process of appropriately staffing it, in order to enable it to perform its duties as prescribed in the SGF issued by SBP in an effective and efficient manner.
- ix. The financial statements of EIB for the year 2015 have been found to be in order.

Notes to the Financial Statements

for the year ended December 31, 2015

1. STATUS AND NATURE OF BUSINESS

- 1.1 Silkbank Limited ("the Bank") was incorporated in Pakistan on April 04, 1994 as a public limited company under the Companies Ordinance, 1984. The Bank commenced commercial operations on May 07, 1995. The Bank's shares are quoted on Pakistan Stock Exchange. The Bank is engaged in banking services as described in the Banking Companies Ordinance, 1962. The Bank operates through 88 branches (2014: 88 branches) including 10 (2014: 10) Islamic banking branches in Pakistan. The Bank's registered office is located at Silkbank Building, Kaghan Road, F-8 Markaz, Islamabad. The short-term and long-term credit ratings of the Bank rated by JCR-VIS Credit Rating Company Limited in June 2015 are 'A-2' and 'A-' respectively.
- 1.2 Major shareholders of the Bank as on December 31, 2015 are Sirthos Capital (comprising of Mr. Shaukat Tarin, Mr. Sadeq Sayeed and Mr. Azmat Tarin), Arif Habib Corporation Limited, International Finance Corporation (IFC), Nomura European Investment Limited, Bank Muscat S.A.O.G and Mr. Zulqarnain Nawaz Chatta and Mr. Zubair Nawaz Chatta of Gourmet Group.
- 1.3 The State Bank of Pakistan (SBP) vide BSD Circular No. 7 dated April 15, 2009 has set the Minimum Capital Requirement (MCR) for Banks of Rs. 10 billion (net of losses), which was required to be achieved by December 31, 2013. The Banks are also required to maintain a Capital Adequacy Ratio (CAR) of at least 10% of the risk weighted assets of the Bank.

In order to meet the capital requirements of SBP, the Bank in 2014, had announced Rights Issue of Rs. 10 billion through issuance of 6,410,256,410 rights shares at Rs. 1.56 per share (at a discount of Rs. 8.44 per share). The Bank received Rs. 10 billion (including Rs. 2 billion received in December 2014) in its right shares Subscription Account (maintained with the Bank) out of which the Bank has issued shares for Rs. 8 billion (i.e. 5,128,205,128 shares at Rs. 1.56 per share) until December 31, 2015. The aforementioned amount of Rs. 10 billion includes Rs. 2 billion received during 2014 as advance against shares subscription, in the right shares Subscription Account from certain investors, whose clearance for issuance of shares was awaited from SBP. The SBP vide its letter No. BPRD / BA&CP / 644 / 24214 / 2014 dated December 10, 2014 had allowed the Bank to consider the advance against shares subscription for MCR and CAR purposes as at December 31, 2014 subject to certain conditions (i.e. issue of shares and adjustment of finance facility of one of the investors), which were required to be completed by March 31, 2015. However, the Bank has not been able to comply with these conditions to date but it is still considering such advance against shares subscription towards MCR and CAR and has reported to SBP on the same basis throughout the year.

The SBP through its letter No. BPRD / BA&CP / 644 / 4133 / 2016 dated February 27, 2016 has advised (since individual shareholding of prospective investors is below 5% threshold) the Bank to decide the matter of share issuance to prospective investors in the light of Bank's internal policies, directions from the Board of Directors and compliance with all applicable laws, rules and regulations. Further, the SBP has advised the Bank to obtain NOC from the relevant quarters and ensure compliance of the terms and conditions embodied in their letter dated December 11, 2014 before finalizing the decision of share issuance to prospective investors. The Bank has decided that it will issue the shares to prospective investors after obtaining the NOC from relevant quarters and addressing all legal requirements.

The capital of the Bank (net of losses and discount on shares) as of December 31, 2015 amounted to Rs. 12.10 billion including advance against shares subscription of Rs. 2 billion and excluding general reserves of Rs. 180.13 million and convertible preference shares of Rs. 2.20 billion. Further, the CAR of the Bank as disclosed in note 20.5 is 13.84%.

If the Bank does not consider advance against shares subscription of Rs. 2 billion towards MCR than the MCR of the Bank (net of losses and discount on shares) as of December 31, 2015 would have amounted to Rs. 10.10 billion (excluding general reserves of Rs. 180.13 million and convertible preference shares of Rs. 2.20 billion) and CAR would have been 11.89%.

2. BASIS OF PRESENTATION

- 2.1 In accordance with the directives of the Federal Government regarding the shifting of the banking system to Islamic modes, the SBP has issued various circulars from time to time. Permissible forms of trade-related modes of financing include purchase of goods by the banks from their customers and immediate resale to them at appropriate mark-up in price on deferred payment basis. The purchases and sales arising under these arrangements are not reflected in these financial statements as such but are restricted to the amount of facility actually utilised and the appropriate portion of mark-up thereon.
- The Islamic Banking branches of the Bank have complied with the requirements set out under the Islamic Financial Accounting Standards issued by the Institute of Chartered Accountants of Pakistan and notified under the provisions of the Companies Ordinance, 1984 except for the adoption of IFAS 3 'Profit & Loss Sharing on Deposits' as disclosed in note 3.
- 2.2 The financial results of the Islamic Banking branches have been included in these financial statements for reporting purposes, after eliminating material inter-branch transactions / balances. Key financial figures of the Islamic Banking branches are disclosed in Annexure II to these financial statements.

Notes to the Financial Statements

for the year ended December 31, 2015

2.3 These financial statements have been prepared in Pakistani Rupee which is the functional and presentation currency of the Bank. The amounts are rounded off to the nearest thousand.

3. STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with approved accounting standards as applicable in Pakistan. Approved Accounting Standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) and Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan (ICAP), as are notified under the Companies Ordinance, 1984, provisions of and directives issued under the Companies Ordinance, 1984, the Banking Companies Ordinance, 1962 and the directives issued by SBP and the Securities and Exchange Commission of Pakistan (SECP). In case requirements differ, the provisions of and directives issued under the Companies Ordinance, 1984, the Banking Companies Ordinance, 1962 and the directives issued by SBP and SECP shall prevail.

The SBP has deferred the applicability of International Accounting Standard (IAS) 39, 'Financial Instruments: Recognition and Measurement' and IAS 40, 'Investment Property' for Banking Companies through BSD Circular No. 10 dated August 26, 2002. Further, the SECP has deferred the applicability of IFRS-7 "Financial Instruments: Disclosures" on banks through S.R.O 411(1) / 2008 dated April 28, 2008. Accordingly, the requirements of these standards have not been considered in the preparation of these financial statements. However, investments have been classified and valued in accordance with the requirements prescribed by the SBP through various circulars.

IFRS 8, 'Operating Segments' is effective for the Bank's accounting periods beginning on or after January 1, 2009. All banking companies in Pakistan are required to prepare their annual financial statements in line with the format prescribed under BSD Circular No. 4 dated February 17, 2006, 'Revised Forms of Annual Financial Statements' (as updated from time to time), effective from the accounting year ended December 31, 2006. The management of the Bank believes that as the SBP has defined the segment categorisation in the above mentioned circular, the SBP requirements prevail over the requirements specified in IFRS 8. Accordingly, segment information disclosed in these financial statements is based on the requirements laid down by the SBP.

The State Bank of Pakistan through BPRD Circular No. 04 of 2015 dated February 25, 2015 has deferred applicability of Islamic Financial Accounting Standard-3 for Profit & Loss Sharing on Deposits (IFAS-3) issued by the Institute of Chartered Accountants of Pakistan and notified by the Securities & Exchange Commission of Pakistan (SECP), vide their SRO No. 571 of 2013 dated June 12, 2013 for Institutions offering Islamic Financial Services (IIFS). The standard will result in certain new disclosures in the financial statements of the Bank.

4. STANDARDS, AMENDMENTS AND INTERPRETATIONS OF APPROVED ACCOUNTING STANDARDS

4.1 Standards, amendments and interpretations to published approved accounting standards that are effective in the current year

The following published approved accounting standards are effective for accounting periods beginning on or after January 1, 2015:

- IFRS 12 'Disclosure of interest in other entities'
- IFRS 13 'Fair Value Measurement'

The application of above standards has resulted in additional disclosures in the Bank's financial statements (refer note 12.8.1 & 38).

There are certain other new and amended standards and interpretations that are mandatory for the Bank's accounting periods beginning on or after January 1, 2015 but are considered not to be relevant or do not have any significant effect on the Bank's operations and therefore are not detailed in these financial statements.

4.2 Standards, amendments and interpretations to published approved accounting standards that are not yet effective

The following amendments to approved accounting standards are effective for accounting periods, beginning on or after the date mentioned against each of them. These amendment are either not relevant to the Bank's operations or are not expected to have significant impact on the Bank's financial statements other than certain additional disclosures:

	Effective from accounting period beginning on or after
- Amendments to IFRS 11 'Joint Arrangements' – Accounting for acquisitions of interest in joint ventures operations	January 01, 2016
- Amendments to IAS 1 'Presentation of Financial Statements' – Disclosure initiative	January 01, 2016

Notes to the Financial Statements

for the year ended December 31, 2015

- Amendments to IAS 16 and IAS 38 – Clarification of acceptable methods of depreciation and amortisation	January 01, 2016
- Amendments to IAS 16 and IAS 41 – Agriculture: Bearer Plants	January 01, 2016
- Amendments to IAS 27 'Separate Financial Statements' – Equity method in separate financial statements	January 01, 2016
- Amendments to IFRS 10 'Consolidated Financial Statements' and IAS 28 'Investments in Associates and Joint Ventures' – assets between an investor and its associate or joint venture	January 01, 2016
- Amendments to IFRS 10 'Consolidated Financial Statements', IFRS 12 'Disclosure of Interests in Other Entities' and IAS 28 'Investments and Joint Ventures' - Investment Entities : Applying the consolidation exception	January 01, 2016

In addition to the above, the following new standards have been issued by IASB which are yet to be notified by the SECP / SBP for the purpose of applicability in Pakistan.

- IFRS 1 – First Time Adoption of International Financial Reporting Standards
- IFRS 9 – Financial Instruments
- IFRS 14 – Regulatory Deferral Accounts
- IFRS 15 – Revenue from Contracts with Customers
- IFRS 16 – Leases

5. BASIS OF MEASUREMENT

These financial statements have been prepared under the historical cost convention, except that certain fixed assets are stated at revalued amounts less accumulated depreciation and accumulated impairment losses (where applicable) and certain investments and derivative financial instruments have been measured at fair value.

5.1 Use of critical accounting estimates and judgments

The preparation of these financial statements in conformity with approved accounting standards requires management to make judgments, estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses. It also requires management to exercise judgment in the application of its accounting policies. The estimates and assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

The areas where various assumptions and estimates are significant to the Bank's financial statements or where judgment was exercised in application of accounting policies are as follows:

5.1.1 Provision against non-performing loans and advances and debt securities.

The Bank reviews its loan portfolio and debt securities (classified as investments) to assess the amount of non-performing loans and advances and debt securities and determine provision required there-against on regular basis. While assessing this requirement, various factors including the past dues, delinquency in the account, financial position of the borrower, the forced sale value of collateral held and requirements of the Prudential Regulations are considered, except for loans and advances where relaxation has been allowed by SBP. For portfolio impairment provision on consumer advances and small enterprise finance, the Bank follows the general provision requirements set out in Prudential Regulations issued by the SBP.

5.1.2 Fair value of derivatives

The fair value of derivatives which are not quoted in active markets are determined by using valuation techniques. The valuation techniques take into account the relevant interest rates in-effect at the reporting date and the rates contracted.

5.1.3 Classification of investments

In classifying investments, the Bank follows the guidance provided in SBP circulars:

- Investments classified as 'held-for-trading' are securities which are acquired with an intention to trade by taking advantage of short term market / interest rate movements and are to be sold within 90 days of acquisition.
- Investments classified as 'held-to-maturity' are non-derivative financial assets with fixed or determinable payments and fixed maturity. In making this judgment, the Bank evaluates its intention and ability to hold such investment to maturity.

Notes to the Financial Statements

for the year ended December 31, 2015

- The investments which are not classified as 'held-for-trading' or 'held-to-maturity' are classified as 'available-for-sale'.

5.1.4 Impairment of 'available-for-sale' equity investments

The Bank determines that 'available-for-sale' equity investments are impaired when there has been a significant or prolonged decline in the fair value below their cost. The determination of what is significant or prolonged requires judgment. In making this judgment, the Bank evaluates, among other factors, the normal volatility in share price. In addition, the impairment may be appropriate when there is an evidence of deterioration in the financial health of the investee, industry and sector performance, changes in technology and operational / financial cash flows.

5.1.5 Defined benefit plan

The liability of the defined benefit plan (gratuity) is determined using actuarial advice using the Projected Unit Credit Method. The actuarial valuation involves making certain actuarial assumptions as disclosed in note 36. Actuarial assumptions are entity's best estimates of the variables that will determine the ultimate cost of providing post-employment benefits. Changes in these assumptions in future years may affect the liability / asset under the plan in those years.

5.1.6 Income taxes

In making the estimates for income taxes currently payable by the Bank, the management looks at the current income tax laws and the decisions of appellate authorities on certain issues in the past. For recovery of deferred tax asset recognised on unused tax losses, management projects and determines future taxable profits that are probable and will be available against which these unused tax losses can be utilised.

5.1.7 Depreciation, amortisation and revaluation of operating fixed assets

In making estimates of the depreciation / amortisation method, management uses the method which reflects the pattern in which economic benefits are expected to be consumed by the Bank. The method applied is reviewed at each financial year-end and if there is a change in the expected pattern of consumption of the future economic benefits embodied in the assets, the method is changed to reflect the change in pattern. Such change is accounted for as change in accounting estimate in accordance with International Accounting Standard - 8, "Accounting Policies, Changes in Accounting Estimates and Errors". Further, the Bank estimates the revalued amount of land and buildings on a regular basis. The estimates are based on valuations carried out by independent professional valuers under the market conditions.

5.1.8 Fair value hierarchy of assets and liabilities

The fair value of the assets and liabilities is the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The Bank categorizes fair value measurements within the following fair value hierarchy;

a) Level 1

These are quoted prices (unadjusted) in active markets for identical assets or liabilities that the bank can access at the measurement date.

b) Level 2

These are inputs other than quoted prices included within Level 1 inputs that are observable for asset or liability, either directly or indirectly.

c) Level 3

These are unobservable inputs for the asset or liability.

6. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all years presented.

6.1 Cash and cash equivalents

Cash and cash equivalents comprise cash and balances with treasury banks, balances with other banks in current and deposit accounts.

6.2 Lendings to / borrowings from financial institutions

The Bank enters into transactions of borrowings (re-purchase) from and lendings (reverse re-purchase) to financial institutions at contracted rates for a specified period of time. These are recorded as under:

Notes to the Financial Statements

for the year ended December 31, 2015

6.2.1 Sale under repurchase obligations (repo)

Securities sold subject to a re-purchase agreement (repo) are retained in the financial statements as investments and the counter party liability is included in borrowings. The differential in sale and re-purchase value is accrued over the period of the agreement and recorded as expense.

6.2.2 Purchase under resale obligations (reverse repo)

Securities purchased under agreement to resell (reverse repo) are included in lendings to financial institutions. The differential between the contracted price and resale price is amortised over the period of the agreement and recorded as income.

Securities held as collateral are not recognised in the financial statements, unless these are sold to third parties, in which case the obligation to return them is recorded at fair value as a trading liability under borrowings from financial institutions.

6.2.3 Other lendings

Other lendings include term lendings and unsecured lendings to financial institutions.

All lendings are stated net of provision, if any. Mark-up / interest income on such lendings is recorded on time proportion basis using effective interest rate method except mark-up on impaired / delinquent lendings, which are recognised on receipt basis.

6.2.4 Other borrowings

Other borrowings including borrowings from SBP are recorded at proceeds received. Mark-up expense on such borrowings is charged to the profit and loss account on time proportion basis using effective interest method.

6.3 Trade and settlement date accounting

All "regular way" purchases and sales of financial assets are recognised on the trade date, i.e., the date that the Bank commits to purchase or sell the assets. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame generally established by regulations or conventions in the market place.

6.4 Investments

The Bank classifies its investments as follows:

a) Held-for-trading

These are securities which are either acquired for generating profit from short-term fluctuations in market prices, interest rate movements, dealers' margin or are securities included in a portfolio in which a pattern of short-term profit taking exists.

b) Held-to-maturity

These are securities with fixed or determinable payments and fixed maturity in respect of which the Bank has the positive intent and ability to hold to maturity.

c) Available-for-sale

These are investments, other than investment in associate, that do not fall under the "held-for-trading" or "held-to-maturity" categories.

6.4.1 Initial measurement

Investments are initially recognised at acquisition cost which in case of investments other than "held-for-trading" includes transaction costs associated with the investments.

6.4.2 Subsequent measurement

Held-for-trading

These are measured at subsequent reporting dates at fair value. Gains and losses on re-measurement are included in the profit and loss account.

Held-to-maturity

These are measured at amortised cost using the effective interest rate method, less any impairment loss recognised to reflect irrecoverable amounts.

Notes to the Financial Statements

for the year ended December 31, 2015

Available-for-sale

Quoted securities classified as available-for-sale investments are measured at subsequent reporting dates at fair value. Any surplus / deficit arising thereon is kept in a separate account shown in the statement of financial position below equity and taken to the profit and loss account when actually realised upon disposal or when the investment is considered to be impaired.

Unquoted equity securities are valued at the lower of cost and break-up value. The break-up value of these equity securities is calculated with reference to the net assets of the investee company as per the latest available audited financial statements. A decline in the carrying value is charged to the profit and loss account. A subsequent increase in the carrying value, upto the cost of investment, is credited to the profit and loss account. Investments in other unquoted securities are valued at cost less impairment losses, if any.

6.4.3 Investment in associates

Investment in associates in which the Bank has significant influence, but not control, over the financial and operating policies are accounted for using the equity method.

Companies where there are common directors but the Bank does not have significant influence are accounted for as ordinary investments.

6.4.4 Gains or losses on disposal of investments are included in the profit and loss account.

6.4.5 Provision for diminution in the value of securities (except Participation Term Certificates and Term Finance Certificates) is made after considering impairment, if any, in their value. Impairment is recognised when there is an objective evidence of significant and prolonged decline in the value of such securities. Provisions for diminution in the value of debentures, Participation Term Certificates and Term Finance Certificates are made as per the requirements of the Prudential Regulations issued by the SBP.

6.5 Advances

Advances including Islamic financing are stated net of specific and general provisions. Specific and general provisions against advances are determined on the basis of Prudential Regulations and other directives issued by the SBP and charged to the profit and loss account. Provisions are held against identified as well as unidentified losses. Provisions against unidentified losses include general provision maintained at 1.5% of the fully secured consumer portfolio and 5% of the unsecured consumer portfolio. Further, the Bank maintains provision at 1% of the secured Small Enterprise (SE) portfolio and 2% of the unsecured SE portfolio. Advances are written off when there are no realistic prospects of recovery.

6.5.1 Murabaha

Murabaha financings are reflected as receivables at the invoiced amount. The profit on that sale revenue not due for payment is deferred by recording a credit to the "Deferred Murabaha Income" account. Profit is taken to the profit and loss account over the period of the Murabaha.

6.5.2 Musharaka

This is a partnership whereby two or more persons commingle either their money or work or obligations to earn a profit or a yield or appreciation in value according to a mutually agreed profit sharing formula and to share the loss, if any, according to their proportionate shares in the Musharaka. One or more partner(s) may be assigned the responsibility of management of the Musharaka against a higher share in the profits.

6.5.3 Diminishing musharaka

In Diminishing musharaka financing, the Bank enters into Musharakah based on Shirkat-ul-milk for financing an agreed share of fixed asset (e.g. house, land, plant or machinery) with its customers and enters into period profit payment agreement for the utilisation of the Bank's Musharaka share by the customer.

6.5.4 Musawamah

Musawamah financings are reflected as receivables at the invoiced amount. The profit on that sale revenue not due for payment is deferred by recording a credit to the "Deferred Musawamah Income" account. Profit is taken to the profit and loss account over the period of the Musawamah.

Notes to the Financial Statements

for the year ended December 31, 2015

6.6 Operating fixed assets

6.6.1 Property and equipment

a) Owned assets

An item of property and equipment is initially recognised at cost which is equal to the fair value of consideration paid at the time of acquisition or construction of the asset.

Measurement subsequent to initial recognition

Property and equipment other than land and buildings are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes expenditure that is directly attributable to the acquisition of fixed assets.

Land is stated at its revalued amount whereas buildings are stated at revalued amount less accumulated depreciation and accumulated impairment losses, if any.

Subsequent costs are included in the assets' carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Bank and the cost of the item can be measured reliably. Maintenance and normal repairs are charged to the profit and loss account as and when incurred. Major renewals and improvements are capitalised and the assets so replaced, if any, are retired.

Surplus arising on revaluation is credited to the "Surplus on Revaluation of Fixed Assets" account. Deficit arising on subsequent revaluation of fixed assets is adjusted against the balance in the above-mentioned surplus account as allowed under the provisions of the Companies Ordinance, 1984. The surplus on revaluation of fixed assets to the extent of incremental depreciation charged on the related assets is transferred to equity.

Gains or losses on disposal of assets are taken to income currently, except that the related surplus on revaluation of fixed assets (net of deferred tax) is transferred directly to unappropriated profit / accumulated loss.

Depreciation

Depreciation is computed over the useful lives of the related assets using straight line method so as to write down the cost of assets to their residual values over their estimated useful lives at the rates given in note 12 to these financial statements. Depreciation on additions during the year is charged from the month of acquisition. Depreciation on disposals during the year is charged for the proportionate period with respect to number of months during which the assets remained in use. Same basis and estimates for depreciation are applied to owned assets and assets subject to finance lease.

Useful lives and residual values of assets are reviewed at each reporting date and adjusted if impact on depreciation is significant.

b) Leased assets

Assets held under finance lease are stated at cost less accumulated depreciation and accumulated impairment loss, if any. The outstanding obligations under the lease arrangements are shown as a liability net of finance charges allocable to future periods. Depreciation on assets held under finance lease is charged in a manner consistent with that for depreciable assets which are owned by the Bank.

Finance charges are allocated to accounting periods so as to provide a constant periodic rate of return on the outstanding liability.

6.6.2 Capital work-in-progress

Capital work-in-progress is stated at cost less accumulated impairment losses, if any. These are transferred to relevant category of property and equipment as and when the assets become available for use.

6.6.3 Intangible assets

These include computer software and are recorded initially at cost and subsequently stated at cost less any accumulated amortisation and accumulated impairment losses, if any.

These are amortised over their finite useful lives and amortisation is charged to the profit and loss account using the straight line method so as to write down the cost of the assets to their residual values over their estimated useful lives at the rates given in note 12 to these financial statements. Amortisation is charged from the month of acquisition. The useful lives and amortisation method are reviewed and adjusted, if appropriate, at each reporting date.

Notes to the Financial Statements

for the year ended December 31, 2015

Costs associated with maintenance of computer software are recognised as an expense as and when incurred.

6.7 Income taxes

Income tax expense comprises of current and deferred tax. Income tax expense is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity, in which case it is recognised in equity.

6.7.1 Current

Provision for current taxation is based on taxable income for the year determined in accordance with the prevailing laws for taxation on income earned. The current tax expense is calculated using prevailing tax rates or tax rates expected to apply to the taxable profits for the year at enacted tax rates. The charge for the current tax also includes adjustments, where considered necessary, relating to prior years arising from assessments made during the year for such years.

6.7.2 Deferred

Deferred tax is recognised using the balance sheet liability method on all temporary differences between the amounts attributed to assets and liabilities for financial reporting purposes and amounts used for taxation purposes. In addition, the Bank also records deferred tax assets on available tax losses. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse, based on tax rates that have been enacted or substantively enacted at the date of statement of financial position.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

The Bank also recognises deferred tax asset / liability on deficit / surplus on revaluation of fixed assets and securities which is adjusted against the related deficit / surplus in accordance with the requirements of IAS 12 "Income Taxes".

6.8 Impairment of non-financial assets

At each reporting date, the Bank reviews the carrying amounts of its non-financial assets other than deferred tax asset to determine whether there is an indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of assets is estimated in order to determine the extent of the impairment loss, if any. Recoverable amount is the greater of net selling price and value in use. Whenever the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount and an impairment loss is taken to the profit and loss account except for impairment loss on revalued assets, which is adjusted against the related revaluation surplus to the extent that the impairment loss does not exceed the surplus on revaluation.

6.9 Provisions

Provisions are recognised when the Bank has a legal or constructive obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate of the amount can be made. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimates.

Provision against identified non-funded losses is recognised when identified and reasonable certainty exists for the Bank to settle the obligation. The loss is charged to the profit and loss account net of expected recovery and is classified under "other liabilities".

6.10 Staff retirement benefits

6.10.1 Defined contribution plan

The Bank operates an approved funded provident fund scheme for all its permanent employees. Equal monthly contributions are made, both by the Bank and its employees, to the fund at the rate of 8.33 percent of basic salaries of employees.

6.10.2 Defined benefit plan

The Bank operates an approved gratuity scheme for all its regular employees. Beginning from January 01, 2005, the entitlement of the employees commences on the completion of five years of service with the Bank. Projected Unit Credit Actuarial Cost Method has been used for actuarial valuation.

Re-measurement component, which is the net of actuarial gains and losses, is immediately recognised in other comprehensive income, whereas, service costs and net interest income / (expense) are charged to the profit and loss account.

Notes to the Financial Statements

for the year ended December 31, 2015

6.10.3 Benefits for outsourced staff

The entitlement of outsourced employees is based on number of years of service. Upon completion of 1 year of service, gratuity expense equivalent to a month's salary (withdrawn) is accrued. After the first year, expense equivalent to a month's salary is further accrued in each year if the employee remains in service for major part of the year (181 days or more). Payments against liability are made to outsourcing agencies when eligible employee leaves service. Unpaid expense is included in "Other Liabilities".

6.11 Revenue recognition

- Mark-up / return / interest on advances and investments is recognised on accrual basis that takes into account effective yield on the assets except in case of advances classified under the Prudential Regulations issued by the SBP (as amended from time to time) on which mark-up / return / interest is recognised on receipt basis. Mark-up / return / interest on rescheduled / restructured advances and investments is recognised in accordance with the directives of the SBP.
- Profit on Diminishing Musharakah financings is recognised on accrual basis.
- Profit on Sukuk is recognised on accrual basis.
- Fees, brokerage and commission on letters of credit / guarantee and other services are amortised over the tenure of the respective facility, whereas account maintenance and service charges are recognised when realised.
- Dividend income is recognised when the right to receive the dividend is established.
- Gain / (loss) on sale of investments is credited / charged to the profit and loss account currently.

6.12 Non-Banking Assets acquired in satisfaction of claims / Other real estate owned (OREO)

At the time of loan settlement, non-banking assets are recognised at settlement value (including transfer charges). The settlement value is determined after obtaining three valuations from the professional valuers included in the approved panel of Pakistan Banks Association (PBA).

Provision against non-performing advances and suspended mark-up / return / interest is reversed on acquisition of non-banking assets to the extent of recoveries made. Further, recoveries against previously written off loans through OREO are recognised as income in the profit and loss account.

Subsequent to initial recognition, these are stated at the lower of the carrying value or current fair value / agreed price of such assets.

Gains and losses on disposal of non-banking assets are recognised in the profit and loss account when the risks and rewards are transferred to the buyer.

6.13 Foreign currencies

6.13.1 Foreign currency transactions

Transactions in foreign currencies are translated to Rupees at the foreign exchange rates prevailing on the transaction date. Monetary assets and liabilities in foreign currencies are expressed in Rupee terms at the rates of exchange prevailing on the reporting date. Non-monetary assets and liabilities are translated using exchange rates that prevailed when the values were determined.

Translation gains and losses are included in income currently.

6.13.2 Contingencies and commitments

Commitments for outstanding forward foreign exchange contracts disclosed in these financial statements are translated at forward rates applicable to their respective maturities. Contingent liabilities / commitments for letters of credit and letters of guarantee denominated in foreign currencies are expressed in rupee terms at the rates of exchange prevailing at the date of the statement of financial position.

6.14 Financial instruments

6.14.1 Financial assets and liabilities

Financial assets and financial liabilities carried on the statement of financial position include cash and balances with treasury banks, balances with other banks, lendings to financial institutions, investments (excluding investment in associate), advances, certain other assets, borrowings from financial institutions, deposits, bills payable, liabilities against assets subject to finance lease, and other liabilities. The particular recognition methods adopted for significant financial assets and financial liabilities are disclosed in the individual policy statements associated with them.

Notes to the Financial Statements

for the year ended December 31, 2015

6.14.2 Derivative financial instruments

Derivative financial instruments are initially recognised at fair value on the date on which the derivative contract is entered into and are subsequently re-measured at fair value using valuation techniques. All derivative financial instruments are carried as assets when fair value is positive and liabilities when fair value is negative. Any change in the fair value of derivative financial instruments is taken to the profit and loss account.

6.15 Off-setting

Financial assets and financial liabilities are set-off and the net amount is reported in the financial statements when there is legally enforceable right to set-off and the Bank intends either to settle on a net basis or to realise the assets and to settle the liabilities simultaneously.

6.16 Segment reporting

A segment is a distinguishable component of the Bank that is engaged either in providing products or services (business segment), or in providing products or services within a particular economic environment (geographical segment), which is subject to risks and rewards that are different from those of the other segments. Segment information is presented as per the Bank's functional structure and guidance of the SBP. Following are the main business segments of the Bank:

6.16.1 Business segments

Wholesale Banking

Deposits, trade and other lending activities for corporates and financial institutions.

Treasury

This segment undertakes the Bank's treasury, money market and capital market activities.

Treasury manages the asset and liability mix of the Bank and provides customers with products that meet their demand for management of liquidity, cash flow, interest rate fluctuations and foreign exchange risks.

Consumer / SME Banking

Wealth management, deposits, mortgages, auto finance, unsecured lending and SME lending (including SME trade).

All assets, liabilities, off balance sheet items, and items of income and expenses are distributed in primary segments in accordance with the core functions performed by the business groups.

6.16.2 Geographical segment

The Bank conducts all its operations in Pakistan.

6.17 Deposits

Deposits are initially recorded at the amount of proceeds received. Mark-up accrued on deposits is recognised separately as part of other liabilities and is charged to the profit and loss account on a time proportionate basis.

6.18 Share capital

Ordinary shares are classified as equity and recognized at their face value. Discount on issue of shares is separately reported in statement of changes in equity. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax, from the proceeds.

6.19 Earnings per share

The Bank presents basic and diluted earnings per share (EPS). Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Bank by the weighted average number of ordinary shares outstanding during the year.

6.20 Fiduciary assets

Assets held in fiduciary capacity are not treated as assets of the Bank in the statement of financial position.

Notes to the Financial Statements

for the year ended December 31, 2015

11.3.1 The reversal of provision for the current year includes Rs. 1,153.92 million against certain non-performing loans due to sell off of debt / assignment of Bank's rights to debt to a private company and an individual under "Debt-Property Swap" transactions (refer note 14.2).

11.3.2 SBP vide various circulars has amended Prudential Regulations in respect of provisioning against non-performing advances under which the benefit of Forced Sale Value (FSV) has been allowed for plant and machinery under charge, pledged stock and mortgaged residential, commercial and industrial properties held as collateral against non-performing advances for five years from the date of classification.

As of December 31, 2015, total FSV benefit taken against all loans and advances amounts to Rs. 1,253 million (2014: Rs. 1,351 million), net of tax, which shall not be available for payment of cash or stock dividend / bonus to employees. As at December 31, 2014, SBP had allowed the Bank certain additional relaxations in respect of FSV benefit, which expired in September 2015.

11.3.3 As at December 31, 2015, the Bank has availed the benefit of relaxation from provision of Rs. 600 million under Regulation R-8 Prudential Regulations against certain non-performing loans, which has been granted by SBP through its letter dated February 27, 2016.

11.3.4 General provision represents provision made equal to 1.5% of the consumer secured performing portfolio, 5% of the consumer unsecured performing portfolio and 1% on small enterprises performing portfolio as required by the Prudential Regulations issued by the State Bank of Pakistan for Consumer and Small Enterprises Financing.

Notes to the Financial Statements

for the year ended December 31, 2015

12.2.1 These include land and buildings revalued in 2008 by Habib Associates, an independent valuer. The revaluation resulted in a surplus of Rs. 118.67 million. Had there been no revaluation, the carrying value of the revalued land and buildings would have been lower by Rs. 96.35 million (2014 : Rs.100.07 million). The Bank's land and buildings were again revalued during the year. However, no revaluation surplus or deficit was recorded as the revalued amounts were not materially different from carrying values.

12.2.2 During the year, the Bank entered into an agreement to sell the previous Head Office Building of the Bank. Pursuant to the agreement, the Bank received a down payment, which is currently classified in 'Other liabilities' (note 19). The remaining balance is required to be paid by the buyer within 5 years from the effective date of the agreement, which is dependent on certain approvals that are currently pending. During the repayment period the buyer will also pay 7% per annum as rent on the outstanding amount of consideration. Since the agreement is not yet effective and the conditions to recognize disposal are not met, the Head Office Building has not been derecognized and is currently classified in property and equipment.

12.3 Intangible assets

- 13.2** The Bank has an aggregate amount of deferred tax asset of Rs. 4,181 million which represents management's best estimate of the probable benefits expected to be realised in future years in the form of reduced tax liability as the Bank would be able to set off the profits earned in those years against losses carried forward and other taxable temporary differences relating to prior years. The Bank has prepared five years financial projections for future taxable profits, which have been approved by the Board of Directors of the Bank, to assess the recoverability of deferred tax assets. The projections involve certain key management assumptions underlying the estimation of future taxable profits. The determination of future taxable profits is most sensitive to certain key assumptions such as recent capital injection, growth of low cost deposits, growth in high yield consumer advances, investment returns, branch expansion plans, potential provision against assets, interest rates, cost of funds and expected recoveries of classified loans. Any significant change in such assumptions may have an effect on the recoverability of the deferred tax asset. Management believes that it is probable that the Bank will be able to achieve the profits and, consequently, the deferred tax asset will be fully realised in future.

- 13.3** Status of tax and other details are disclosed in notes 32.2 and 32.3 to these financial statements.

- 20.3 The SBP requires each commercial bank to: (a) hold the minimum level of the regulatory capital (net of losses) to be raised to Rs. 10 billion (net of losses and share discount) by December 31, 2013 and (b) maintain a ratio of total regulatory capital to the risk-weighted assets (the "Basel ratio") at or above the internationally agreed minimum of 10% (refer note 1.3).

As mentioned in note 1.3, on August 27, 2014, the Board of Directors of the Bank approved the issuance of right shares of Rs. 10 billion (6,410,256,410 right shares at Rs. 1.56 per share, at a discount of Rs. 8.44 per share), under the provisions of Section 86 of the Companies Ordinance, 1984 subject to the approvals of the shareholders and regulatory approvals. The Bank received Rs. 10 billion (including Rs. 2 billion received in December 2014) in its Right Shares Subscription Account maintained with the Bank out of which, the Bank has issued shares for Rs. 8 billion (i.e., 5,128,205,128 shares at Rs. 1.56 per share) until December 31, 2015.

- 20.4 The Bank had approved issuance of right shares @ 311.00226% on December 2, 2009 at a discount of Rs. 7.5 per share having face value of Rs. 10 each to generate net additional capital of Rs. 7 billion. Out of these right shares, an amount of Rs. 2.572 billion was unsubscribed. SECP had granted three years extension for subscription of the rights, in line with tenor of convertible preference shares (refer note 21). Subsequent to the year end on January 27, 2016, the Board of Directors of the Bank passed a resolution to exercise call option in respect of convertible preference shares (refer note 21) and resultantly has cancelled the unsubscribed rights. The Bank has intimated the cancellation of unsubscribed rights shares to SECP on January 27, 2016.

2015	2014

20.5 CAPITAL ADEQUACY	
Total Capital Adequacy Ratio	13.84% 9.14%

21. CONVERTIBLE PREFERENCE SHARES

The Bank has issued 880 million Convertible Preference Shares (CPS) in March 2013 at issue price of Rs. 2.50 per share aggregating to paid-up amount of Rs. 2,200 million. The CPS are sub-ordinated to all other liabilities including deposits of the Bank. These CPS have three years tenor and are convertible into ordinary shares of the Bank at the conversion ratio of 1:1. There are no voting rights and dividend entitlement on these CPS. The subscribers have an option to exercise the put option at the end of the tenor through which they can sell their CPS to Arif Habib Corporation Limited (the Guarantor) at the strike price of Rs. 3.70 per CPS. The Bank is entitled to exercise Call Option, which is exercisable in full or in parts at any time after one year from the issue date subject to subscription of unsubscribed right shares. Any partial redemption will be on a pro rata basis. The SBP has restricted the utilization of the funds received to investment in papers of Government of Pakistan and has allowed to consider the investments in Government papers held against the proceeds of CPS for Statutory Liquidity Requirement (SLR) purposes.

SBP has given approval of CPS as Tier-I capital for Capital Adequacy Ratio (CAR) purpose only. Further, the SBP vide their letter no. BPRD/BA&CP-04/15690/2013 dated October 24, 2013 allowed the Bank to disclose CPS in the "Capital Section" of its financial statements till the remaining maturity or earlier redemption, whichever is earlier.

Subsequent to year end on January 27, 2016, the Board of Directors of the Bank in its meeting approved the exercise of Call Option in respect of 880 million CPS. As per the terms of CPS, the Bank can exercise call option latest by March 21, 2016 and the maximum cash outflow for this purpose is expected to be Rs. 3,256 million out of which Rs. 1,056 million will be charged directly to statement of changes in equity.

23.4.1 These represent recovery suits filed by various parties in which the Bank is a direct or indirect defendant.

23.4.2 Suits for damages of Rs. 25.63 billion (2014: Rs. 872 billion) have been filed against the Bank by various borrowers / employees in respect of certain disputes relating to loans and advances. The management of the Bank and its legal counsel consider that the suits are a counterblast in response to the recovery suits filed by the Bank. The Bank and its legal counsel are confident that the cases will be dismissed as actual damages have to be proven in such suits.

During the prior year, two suits amounting to Rs. 847.55 billion were filed in response to recovery suits previously filed by the Bank stood decreed in favor of the Bank and the defendants' appeal in respect thereof was dismissed by the High Court. The defendants filed appeal in the Honorable Supreme Court which was subsequently withdrawn by the defendants themselves. During the year, the Bank has entered into a settlement agreement with the borrower. Subsequent to the year end, pursuant to the agreement, the borrower has withdrawn the cases against the Bank.

Forward sale of listed equity securities	-	48,534
23.9 The Bank makes commitments to extend credit in the normal course of its business but these being revocable commitments do not attract any significant penalty or expense if the facility is unilaterally withdrawn.		

24. DERIVATIVE INSTRUMENTS

A derivative financial instrument is a financial contract between two parties where payments are dependent upon movements in price in one or more underlying financial instruments, reference rates or indices. The principal derivatives used by the Bank are forward foreign exchange contracts, foreign exchange swaps and equity futures. The Bank at present does not engage in structured derivative products such as Interest Rate Swaps, Forward Rate Agreements and Foreign Exchange Options.

A forward foreign exchange contract is an agreement to buy or sell a specified amount of foreign currency on a specified future date at an agreed rate. Equity futures are exchange traded contractual agreements to either buy or sell a specified security at a specific price and date in the future. A foreign exchange swap is used by the Bank if it has a need to exchange one currency for another currency on one day and then re-exchange those currencies at a later date.

The Bank enters into these contracts for the purpose of squaring currency / equity positions.

All derivatives are recognised at their fair value. Fair values are obtained from quoted market prices in active markets. Derivatives are carried in the balance sheet as assets when their fair value is positive and as liabilities when their fair value is negative.

Credit risk in respect of derivative financial instruments arises from the potential for a counterparty to default on its contractual obligations. The principal amount of the derivative contract does not represent real exposure to credit risk, which is limited to the positive fair value of instrument.

The details of commitments under forward foreign exchange contracts and equity futures contracts outstanding at year-end have been given in notes 23.5 and 23.8, respectively.

The accounting policies used to recognise and disclose derivative instruments are given in note 6.14.2. The risk management framework of derivative instruments is given in note 42.

32.2 The income tax returns of the Bank have been submitted up to Tax Year 2015. The Bank has filed appeals before ATIR against certain disallowances amounting to Rs. 1,996 million made by Tax officer for assessment / tax year(s) 2000-2001, 2001-2002, 2002-2003 and 2004. The disallowances amounting to Rs. 682 million in respect of tax years 2003 and 2006 are pending at CIR (A). Management is confident that the outcome of these appeals would be in favor of the Bank.

32.3 Income tax returns for tax years 2011 and 2014 were selected for audit. The proceedings of the audit are in process, no order has been passed by the relevant tax authorities. The proceedings u/s 161/205 of the Income Tax Ordinance regarding monitoring of withholding taxes pertaining to the tax years 2011 to 2014 were completed. Orders were issued by the Assessing Officer creating a tax demand of Rs. 39 million along with default surcharge of Rs. 17 million. The Bank has filed an appeal for all the orders raised.

32.4 The Bank's return in respect of AJK operations have been submitted up to and including Tax Year 2015. Certain appeals were filed before the various appellate forums which are pending adjudication. Management is confident that the outcome of these appeals would be in favor of the Bank.

36. STAFF RETIREMENT BENEFITS

36.1 Defined benefit plan

As disclosed in note 6.10.2, the Bank operates an approved funded gratuity scheme for all its regular employees. The entitlement of the employees commences on completion of five years with the Bank beginning from January 01, 2005. Projected Unit Credit Actuarial Cost Method has been used for actuarial valuation dated December 31, 2015. The financial statements of the fund are separately prepared and audited and are not included as part of these financial statements. Contribution funds are placed in bank account maintained with Silkbank in fixed deposit and super saver scheme at the rates ranging from 4% to 6.5%.

Return on plan assets excluding amounts included in interest income	-	(14,737)	(14,737)
	94	(14,737)	(14,643)
As at December 31, 2014	307,802	(363,011)	(55,209)

Notes to the Financial Statements

for the year ended December 31, 2015

	Note	2015 Rupees in '000	2014
36.1.3 Amount recognised in profit and loss account:			
Current service cost		57,539	49,355
Interest cost on defined benefit obligation		33,080	33,010
Interest income on plan assets		(37,296)	(36,547)
	29	53,323	45,818
36.1.4 Remeasurements recognised in OCI for the year			
Actuarial loss on obligation		5,374	94
Actuarial loss / (gain) on plan assets		8,167	(14,737)
		13,541	(14,643)
36.1.5 Movement of net defined benefit asset:			
Net defined benefit asset at the beginning of the year		(55,209)	(40,565)
Charge for the year	36.1.3	53,323	45,818
Remeasurements - gains recognized in OCI during the year	36.1.4	13,541	(14,643)
Bank's contributions	36.1.2	(53,324)	(45,819)
Net defined benefit asset at the end of the year		(41,669)	(55,209)
36.1.6 Actual return on plan assets		29,129	51,284
36.1.7 Principal actuarial assumptions			
Financial assumptions			
Discount factor used		9.00%	10.50%
Expected increase in eligible pay *		8.00%	9.50%
Demographic assumptions			
Mortality rates (for death in service)		SLIC (2001-05)-1	SLIC (2001-05)-1
Rates of employee turnover		Ultra Heavy Rates	Ultra Heavy Rates
Normal retirement age (years)		60 years	60 years

* Salary increments were assumed to be given on January 01, each year.

36.1.8 The discount rate of 9.00% (per annum compound) is representative of yields on Pakistan Investment Bonds and high quality term finance certificates.

36.1.9 The expected charge for the year 2016 is Rs. 59.298 million.

36.1.10 The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

		Impact on defined benefit obligation	
	Change in assumption	Increase in assumption	Decrease in assumption
		Rupees in '000	
Discount rate	1%	(20,009)	22,284
Salary growth rate	1%	24,106	(21,996)

The above sensitivity analysis is based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the Projected Unit Credit Actuarial Cost Method at the end of the reporting period) has been applied as when calculating net defined benefit asset recognised within the statement of financial position.

Notes to the Financial Statements

for the year ended December 31, 2015

36.1.11 Composition of fair value of plan assets

	2015	2014
	Rupees in '000	
Pakistan Investment Bonds	25,393	44,500

Number of persons remained at end of year	1	1	1	1	437	387

The Chief Executive, Executive Director and Executives are provided with free use of Bank provided cars. Executives mean employees, other than Chief Executive Officer and Directors, whose basic salary exceeds five hundred thousand rupees in a financial year.

38. FAIR VALUE OF FINANCIAL INSTRUMENTS

The fair value of traded investments is based on quoted market prices. Fair value of unquoted equity investments other than investments in associates is determined on the basis of break up value of these investments as per the latest available audited financial statements, less impairment if any.

Fair value of fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to absence of current and active market for such assets and liabilities and reliable data regarding market rates for similar instruments. The provision for impairment of loans and advances has been calculated in accordance with the Bank's accounting policy as stated in note 5.1.1 to these financial statements.

Notes to the Financial Statements

for the year ended December 31, 2015

The maturity and repricing profile and effective rates are stated in notes 42.2.3, 42.3.1 and 42.3.2 respectively.

In the opinion of the management, the fair value of the remaining financial assets and liabilities are not significantly different from their carrying values since assets and liabilities are either short-term in nature or in the case of customer loans and deposits are frequently re-priced.

- 38.1** The Bank measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

Level 1 : Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 : Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 : Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

The table below analysis the financial and non-financial assets carried at fair values, by valuation methods. For financial assets, the Bank essentially carries its investments in debt and equity securities at fair values. Valuation of investments is carried out as per guidelines specified by the SBP. In case of non-financial assets, the Bank has adopted revaluation model (as per IAS 16) in respect of land and building.

	Fair Value			
	Level 1	Level 2	Level 3	Total
	Rupees in '000			
On balance sheet financial instruments				
Financial assets measured at fair value				
Held for trading securities				
- Pakistan Investment Bonds	-	307,463	-	307,463
Available-for-sale Securities				
- Shares in listed companies	921,913	-	-	921,913
- Pakistan Investment Bonds	-	7,978,688	-	7,978,688
- Market Treasury Bills	-	23,537,278	-	23,537,278
- GOP Ijara Sukuk	-	2,122,600	-	2,122,600
- Term Finance Certificates - Listed	-	27,832	-	27,832
	921,913	33,666,398	-	34,588,311
Non-Financial Asset measured at fair value				
Operating fixed assets - land and buildings	-	2,975,499	-	2,975,499
Off balance sheet financial instruments				
Foreign exchange option purchased	-	9,302,422	-	9,302,422
Foreign exchange option sold	-	4,347,910	-	4,347,910

The valuation techniques used for above assets are same as disclosed in note 6.4.1, 6.4.2 & 12.2.1 of these financial statements.

The Bank's policy is to recognise transfers into and out of the different fair value hierarchy levels at the date the event or change in circumstances that caused the transfer occurred. There were no transfers between levels 1 and 2 during the year.

39. SEGMENT DETAILS WITH RESPECT TO BUSINESS ACTIVITIES

For management purposes, the Bank is organized into following major business segments:

- Wholesale Banking *
- Treasury*
- Consumer / SME Banking *

All assets, liabilities, off balances sheet items, and items of income and expense are distributed in primary segments in accordance with the core functions performed by the business groups.

Notes to the Financial Statements

for the year ended December 31, 2015

2015

40. RELATED PARTY TRANSACTIONS

Related parties comprise directors, major shareholders of the Bank and the companies owned by such shareholders, entities owned by the directors of the Bank, companies where directors of the Bank also hold directorship, associate, key employees, entities that have key management personnel in common and employee benefit plan and defined contribution plan.

Transactions with related parties are carried out in the normal course of business at agreed terms other than those transactions which are made under the terms of employment. Majority of the transactions with related parties comprise loans and advance, deposits, issuance of letters of credit and guarantees.

Advances for the house building, conveyance and for personal use have also been provided to the staff and executives at reduced rates in accordance with the employment and pay policy and such advances have not been disclosed in the following schedule. Facility of group life insurance and hospitalisation insurance is also provided to staff and executives. In addition to this, executives of the Bank have been provided with Bank maintained cars.

Transactions with associate and key management personnel are also executed substantially on the same terms or as per the employment terms (note 12.5.1).

Details of transactions with related parties and balances with them as at the year-end are as follows:

Notes to the Financial Statements

for the year ended December 31, 2015

41. CAPITAL ASSESSMENT AND ADEQUACY

41.1 Scope of Applications

The Basel-III Framework is applicable to the Bank on a stand alone basis and the Bank has adopted the Standardised approach for Credit Risk and Market Risk and Basic Indicator Approach for Operational Risk while using the simple approach for Credit Risk Mitigation as per SBP guidelines. Saudi Pak Insurance Company Limited (SPICL) is an associate of the Bank which has not been considered for consolidation both under accounting and regulatory scope of consolidation. The Bank owns 23.08% investment in shares of SPICL due to which the Bank has acquired significant influence, but not control, over financial and operating policies of SPICL.

41.1.1 Capital management

Objective of Capital Management:

The Bank manages its capital to attain following objectives and goals:

- To comply with statutory capital requirements set by regulators and comparable with peers;
- Ensuring sufficient liquidity to support its financial obligations and execute its operating and strategic plans;
- Maintaining healthy liquidity reserves and access to capital;
- To mitigate all expected and un expected losses to keep institution a going concern so it can continue to provide adequate return to shareholders; and
- To extend credit to support growth in business even in adverse and stressed economic environment.

The State Bank of Pakistan (SBP) vide BSD Circular No. 7 dated April 15, 2009 set the Minimum Capital Requirement (MCR) for Banks of Rs. 10 billion (net of losses) for all locally incorporated banks to be achieved up to December 31, 2013. The Banks are also required to maintain a Capital Adequacy Ratio (CAR) of at least 10% plus capital conservation buffer of 0.25% of the risk weighted exposures of the Bank. The capital of the Bank (net of losses and discount on shares) as of December 31, 2015 amounted to Rs. 12.10 billion excluding general reserves of Rs. 180 million and convertible preference share of Rs. 2.2 billion and CAR of 13.84%.

The required capital adequacy ratio including CCB (10.25% of the risk-weighted assets) has been achieved through injection of capital by the Bank and its sponsors as mentioned in note 1.3.

The Capital Adequacy Ratio of the Bank is subject to the Basel III capital adequacy guidelines stipulated by SBP through its BPRD Circular No. 06 of 2013 dated August 15, 2013 (as amended). These Instructions are effective from December 31, 2013 in a phased manner with full implementation intended by December 31, 2019. Under Basel III guidelines, banks are required to maintain the following ratios on an ongoing basis.

Phase-in arrangement and full implementation of the minimum capital requirements:

Ratio	Year						As on Dec 31
	2013	2014	2015	2016	2017	2018	2019
CET I	5.00%	5.50%	6.00%	6.00%	6.00%	6.00%	6.00%
ADT I	1.50%	1.50%	1.50%	1.50%	1.50%	1.50%	1.50%
Tier 1	6.50%	7.00%	7.50%	7.50%	7.50%	7.50%	7.50%
Total Capital	10.00%	10.00%	10.00%	10.00%	10.00%	10.00%	10.00%
*CCB	-	-	0.25%	0.65%	1.275%	1.90%	2.50%
Total Capital plus CCB	10.00%	10.00%	10.25%	10.65%	11.28%	11.90%	12.50%

*Capital Conservation Buffer (CCB) Consisting of CET1 only

Bank's regulatory capital is analyzed into three tiers.

Common Equity Tier 1 capital (CET1), which includes fully paid up capital, balance in share premium account / discount on issue of shares, general reserves, statutory reserves as per the financial statements and net unappropriated profits after all regulatory adjustments applicable on CET1.

The deduction from Tier 1 capital includes mainly:

- Book value of intangibles
- Reciprocal cross holdings in equity capital instruments of other banks
- Threshold deductions applicable from 2014 on deferred tax assets

Notes to the Financial Statements

for the year ended December 31, 2015

Additional Tier 1 Capital (AT1), which includes perpetual non-cumulative preference shares (which are allowed to be included in Tier 1 Capital as per BPRD/CS/2900/13 dated March 13th, 2013) and share premium resulting from the issuance of preference shares balance in share premium account after all regulatory adjustments applicable on AT1.

Tier 2 capital, which includes subordinated debt instruments, share premium of issuance of subordinated debt instruments, general provisions for loan losses (up to a maximum of 1.25 % of credit risk weighted assets), net of tax reserves on revaluation of fixed assets and securities up to a maximum of 45% of the balance and (40% of the remaining revaluation reserves of 55%) and foreign exchange translation reserves after all regulatory adjustments applicable on Tier-2.

The deductions from Tier 2 include mainly:

- (i) Significant minority investment in banking and other financial entities

Banking operations are categorised as either trading book or banking book and risk-weighted assets are determined according to specified requirements of SBP that seek to reflect the varying levels of risk attached to assets and off-balance sheet exposures. The total risk-weighted exposures comprise of the credit risk, market risk and operational risk.

The Bank uses reputable and SBP approved rating agencies for deriving risk weight to specific credit exposures. These are applied consistently across the Bank credit portfolio for both on-balance sheet and off-balance sheet exposures.

For domestic claims, External Credit Assessment Institutions (ECAIs) recommended by the State Bank of Pakistan (SBP), namely Pakistan Credit Rating Agency Limited (PACRA) and JCR-VIS Credit Rating Company Limited (JCR-VIS) are used. For claims on foreign entities, ratings assigned by Standard and Poor's, Fitch and Moody's are used. Foreign exposures not rated by any of the aforementioned rating agencies are categorised as unrated.

Exposures	2015				
	JCR	PACRA	S&P	FITCH	Moody's
Corporate	✓	✓	-	-	-
Banks	✓	✓	✓	✓	✓

SBP indicative mapping process as instructed in SBP circular "Minimum Capital Requirements for Banks and DFIs" (indicated in table below) was used to map alphanumeric ratings of PACRA, JCR-VIS, S&P's, Moody's, Fitch Ratings, and numeric scores of ECAs, to SBP rating grades.

44 Cap for inclusion of provisions in Tier 2 under internal ratings-based approach	-	-

41.2.5 In view of the repurchase of the property, SBP while recognising the sale as a sale, vide their letter dated August 24, 2011, has advised the Bank to reclassify 50% of the gain realised on sale of the said property (including amount transferred from revaluation surplus to accumulated loss) for capital adequacy calculation purposes as part of Tier-2 capital with treatment similar to revaluation reserves. Initially revaluation reserves upto 45% were allowed, however since the B-3 deductions has commenced from December 2014, the recognition of the remaining revaluation (55%) has been gradually allowed. On December 2014, the Bank has also recognised (40% of the remaining revaluation reserves of 55%). Accordingly, an amount of Rs. 877.937 million has been transferred from accumulated loss to revaluation reserve as Tier II Capital for capital adequacy calculation.

41.4 Main Features Template of Regulatory Capital Instruments

Set out below is the template that banks must use to ensure that the key features of all regulatory capital instruments are disclosed. Banks will be required to complete all of the cells for each outstanding regulatory capital instrument (please insert "NA" if the question is not applicable). Banks are required to report each regulatory capital instrument in a separate column of the template, such that the completed template would provide a "main features report" that summaries all of the regulatory capital instruments of the bank/ banking group.

Disclosure template for main features of regulatory capital instruments			
	Main Features	Common Shares	Instrument - 2
1	Issuer	Silkbank	Silkbank
2	Unique identifier (eg PSX Symbol or Bloomberg identifier etc.)	SILK	
3	Governing law(s) of the instrument	Relevant Capital Market Laws	Relevant Capital Market Laws
	Regulatory treatment		
4	Transitional Basel III rules	Common Equity Tier I	Additional Tier-1
5	Post-transitional Basel III rules	Common Equity Tier I	Additional Tier-1
6	Eligible at solo/ group / group & solo	-	-
7	Instrument type	Ordinary Shares	PNCPS
8	Amount recognised in regulatory capital (Currency in PKR thousands, as of reporting date)	Rs. (Thousand)	Rs. (Thousand)
		77,998,089	2,200,000
9	Par value of instrument	PKR 10	PKR 2.50
10	Accounting classification	Shareholders' Equity	Shareholders' Equity
11	Original date of issuance	1994	28-Mar-13
12	Perpetual or dated		
13	Original maturity date	-	3 years after issuance
14	Issuer call subject to prior supervisory approval	Yes	
15	Optional call date, contingent call dates and redemption amount	-	After one year
16	Subsequent call dates, if applicable	-	-
	Coupons / dividends	-	-
17	Fixed or floating dividend/ coupon	-	Fixed
18	Coupon rate and any related index/ benchmark	-	-
19	Existence of a dividend stopper	-	-
20	Fully discretionary, partially discretionary or mandatory	-	-
21	Existence of step up or other incentive to redeem	-	-
22	Noncumulative or cumulative	-	Noncumulative
23	Convertible or non-convertible	-	Convertible
24	If convertible, conversion trigger (s)	-	Upon expiry of 3 years
25	If convertible, fully or partially	-	-
26	If convertible, conversion rate	-	3.7
27	If convertible, mandatory or optional conversion	-	Optional
28	If convertible, specify instrument type convertible into	-	Common Equity
29	If convertible, specify issuer of instrument it converts into	-	-
30	Write-down feature	-	-
31	If write-down, write-down trigger(s)	-	-
32	If write-down, full or partial	-	-
33	If write-down, permanent or temporary	-	-
34	If temporary write-down, description of write-up mechanism	-	-
35	Position in subordination hierarchy in liquidation (specify instrument type immediately senior to instrument)	-	-
36	Non-compliant transitioned features	-	-
37	If yes, specify non-compliant features	-	-

41.5 Risk Weighted Assets

The capital requirements for the banking group as per the major risk categories should be indicated in the manner given below:-

	Capital Requirements		Risk Weighted Assets	
	December 31, 2015	December 31, 2014	December 31, 2015	December 31, 2014
Credit Risk				
On-Balance sheet				
Portfolios subject to standardised approach (Simple or Comprehensive)				
e.g. Cash & cash equivalents				
Sovereign				
Public Sector entities				
Banks	32,139	29,638	321,390	296,375
Corporate	3,760,855	3,350,375	37,608,550	33,503,750
Retail	1,394,224	1,298,159	13,942,235	12,981,585
Residential Mortgages	71,072	57,927	710,722	579,270
Past Due loans	392,647	341,253	3,926,470	3,412,529
Deferred tax asset	258,093	90,772	2,580,925	907,718
Operating Fixed Assets	418,982	423,477	4,189,818	4,234,766
Other assets	1,468,537	1,065,963	14,685,375	10,659,625
Portfolios subject to Internal Rating Based (IRB) Approach				
e.g. Corporate, Sovereign, Corporate, Retail, Securitization etc.				
Off-Balance sheet				
Non-market related				
e.g. Financial guarantees, acceptances, performance related commitments, trade related etc.	435,829	363,464	4,358,287	3,634,643
Market related				
e.g. Foreign Exchange contracts/ derivatives etc.	4,082	4,984	40,818	49,838
Equity Exposure Risk in the Banking Book				
Under simple risk weight method				
e.g. Listed, Unlisted	199	367	1,988	3,672
Under Internal models approach				
	-	-	-	-
Market Risk				
Capital Requirement for portfolios subject to Standardised Approach				
Interest rate risk	17,510	136,316	175,096	1,363,163
Equity position risk	167,646	138,135	1,676,465	1,381,348
Foreign Exchange risk	-	4,366	-	43,663
Capital Requirement for portfolios subject to Internal Models Approach				
	791,734	690,969	7,917,335	6,909,688
Operational Risk				
Capital Requirement for operational risks				
	791,734	690,969	7,917,335	6,909,688
TOTAL	9,213,549	7,996,163	92,135,474	79,961,633

Notes to the Financial Statements

for the year ended December 31, 2015

Capital Adequacy Ratios	December 31, 2015		December 31, 2014	
	Required	Actual	Required	Actual
CET1 to total RWA	6.00%	10.24%	5.00%	5.22%
Tier-1 capital to total RWA	7.50%	12.60%	6.50%	6.64%
Total capital to total RWA	10.00%	13.84%	10.00%	9.14%
Total capital plus CCB to total RWA	10.25%	13.84%	10.00%	9.14%

42. RISK MANAGEMENT

The business of banking is dependent upon acceptance and management of financial risk. It involves identification, measurement, monitoring and controlling risks with a view to ensure that:

- adequate capital is available as a buffer;
- exposures remain within the limits prescribed by the Board of Directors; and
- risk taking decisions are in line with business strategy and objectives set by the Board.

The Bank is exposed to a number of risks, which it manages at different levels.

The main categories of risks are:

Credit risk

The risk of losses because counterparties fail to meet all or part of their obligations towards the Bank.

The Bank has established an appropriate credit risk structure and culture whereby policies are reviewed and revamped to maintain sound credit granting procedures, maintaining appropriate credit administration, measurement, monitoring processes and adequate controls.

Risk Management structure includes Credit Approval, Credit Administration, Centralised Processing, Credit Monitoring and Basel III functions reporting to the Risk Management Group Head. Senior and experienced officials are heading each risk category.

The Bank manages credit risk through:

- establishment of acceptable risk levels;
- sound procedures and controls for the management of risk assets and credit documentation;
- target market planning and overall market intelligence; and
- accurate and detailed information about the borrower, its financial position and operations of the Bank.

Market risk

The risk of losses because the market value of the Bank's assets and liabilities will vary with changes in market conditions.

Market risk measures and controls are applied at the portfolio level and limits and other controls are applied to particular books and to specific portfolios. Controls and established parameters are applied to prevent any undue risk concentrations in the trading book and include controls on exposure to individual market risk factors and on positions in securities of individual issuers.

Treasury Middle Office (TMO) performs market risk management activities. TMO is jointly responsible with Treasury Front Office for drawing, reviewing market risk policies (fund management, treasury investment) and processes, monitoring and implementation; and escalating any deviation to ALCO / MRPC.

Operational risk

The risk of losses from inadequate or failed internal processes, people and systems or external events. This definition includes legal risks but excludes strategic and reputational risks.

The Bank has in place robust, duly approved various policies, procedures and a Business Continuity Plan. These are continuously reviewed to strengthen operational controls.

Notes to the Financial Statements

for the year ended December 31, 2015

Risk policy sets minimum standards and requires all business units to identify and assess risks. The business units are responsible for day-to-day monitoring of operational risks and for limiting losses as a result thereof. The business units must report operational risk events in the management reporting system. Risk Management Unit has developed a loss database for recording of these events which will be utilised towards building a database to mitigate operational risk.

Liquidity risk

The risk of losses because the Bank's normal liquidity reserves are not sufficient to meet its obligations.

The Bank's approach to liquidity risk management is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due. The Fund Management Policy is formulated keeping in view SBP's guidelines on risk management and Basel III principles on sound liquidity management.

The ALCO/ MRPC is responsible for managing the composition of assets and liabilities, management of liquidity, timely identification of sources of market and liquidity risk, pricing of deposits and advances, deciding on the required maturity profile and the mix of incremental assets and liabilities, defining the interest rate view of the Bank and deciding on future strategies for treasury, reviewing and articulating the funding policy and evaluating the market and liquidity risks involved in launching of new products.

42.1 Credit risk

42.1.1 Credit risk management objectives and policies

Credit risk is the risk that a counterparty will not settle its obligation in accordance with the terms of approval or agreed terms.

Credit exposures include both individual borrowers and groups of connected counterparties and portfolios in the banking and trading books.

Credit Risk Policy and Management Group (CRP&MG) is structured to effectively analyse, monitor and manage credit risk through its policies and procedures that are closely aligned with the Bank's business plan, SBP's Prudential Regulations and Basel III requirements.

Sanctioning authority and approval levels for all facilities is conferred by the Board of Directors upon various functionaries of the Bank and is circulated for information of all concerned through circulars issued by CRP&MG. Credit Sanctioning Powers / Authority Levels in terms of BOD approval, as enhanced / amended from time to time, relate to the total exposure of a customer or a customer group and not to specific loans.

42.1.2 Credit risk rating

Credit risk rating is an important tool in monitoring and controlling credit risk. In order to facilitate early identification of changes in risk profiles, credits with deteriorating ratings will be subject to additional oversight and monitoring, for example, through more frequent visits from Relationship Managers and inclusion on a watch list that is regularly reviewed by senior management. The internal risk ratings can be used by line management in different departments to track the current characteristics of the credit portfolio.

In the light of the requirements specified by SBP and in view of Basel III Accord, the Bank has to assess soundness and appropriateness of internal credit risk measurement and management system. The Bank needs to build the foundation for the IRB (Internal Rating Based) Approach and construct data warehouse conforming to the data criteria of Basel III.

In the absence of standard and reliable financial statements to realistically evaluate the strength of a company for assigning ORR, the Bank has to resort to other pragmatically emphasised quantitative / qualitative factors, which have traditionally been considered for extending credit. The Quantitative Evaluation is based on financial indicators, while Qualitative Evaluation is based on subjective factors.

42.1.3 Objectives of Internal Credit Risk Rating (ORR)

Usually credit ratings are aimed at achieving one or more of the following:

- Internal capital allocation
- Internal risk reporting
- Portfolio management
- The setting of credit risk concentration limits
- Developing risk-based pricing benchmarks

The Bank's initial objective of ORR is to generate accurate and consistent ratings for credit portfolio of the Bank. Credit / Obligor risk ratings are summary indicators of the degree of risk inherent in the Bank's individual credit exposures. A credit rating represents an assessment of the probability of default attached to a given counterparty to meet debt servicing and other repayment obligations on a timely basis. At the Bank, a system has been developed and successfully implemented to assign Credit / Obligor Risk Ratings to each borrower.

42.2 Market risk

Market risk is defined as the potential loss in market value of a given portfolio that can be expected to be incurred arising from changes in market prices, namely interest rates, foreign exchange rates and equity prices.

The Bank is exposed to market risk in its trading investment portfolio because the values of its trading positions are sensitive to changes in market prices and rates.

The Bank has a well established framework for market risk management with the Treasury Investment Policy, Liquidity Policy and Market Risk Management Policy. The Bank has major objective of protecting and increasing net interest income in the short run and market value of the equity in the long run for enhancing the shareholders wealth. Further, it defines the contours of the way the Bank's market risk is managed within defined parameters and with prescriptive guidelines on the tools, techniques and processes.

The Asset Liability Committee (ALCO), Market Risk Policy Committee (MRPC) and Investment Committee is entrusted with key decision making in establishing market risk related strategies and monitoring there-against. The Committee decides on product pricing, mix of assets, liabilities, stipulates liquidity and interest rate risk limits, monitors them, articulates the Bank's interest rate view and determines the business strategy of the Bank.

Management of interest rate risk of the Banking Book is primarily focused on interest and fair value through Re-pricing Gap Analysis, Analysis of the Net Interest Income Sensitivity, Duration, Value-at-Risk (VaR) and Fair Value Sensitivity. The management of interest rate risk of the trading book is achieved through mark-to-market practice and exposure analysis. On a periodic basis, risk monitoring reports are prepared for senior management to gain an accurate understanding of Bank's risk position. Mathematical model like Stress-Testing is carried out at least biannually.

The Middle Office in Risk Management Group has an independent reporting structure on risk aspects and helps management in determining compliance in terms of exposure analysis, tracking of limits, funding and various other risk sensitive market parameters.

42.2.1 Foreign exchange risk

Currency risk is the risk of loss arising from the fluctuation of exchange rates. Bank's currency risk is first controlled through a substantially matched funding policy. We utilise appropriate hedging instruments, such as forward foreign exchange (FX) contracts, currency swaps to effectively hedge and manage currency risks.

The majority of foreign currency exposure is in the US dollar. Bank is carefully monitoring the net foreign currency exposure and the effect of exchange rate fluctuation by conducting mark to market sensitivity and stress testing on a regular basis as well as utilizing the currency forward FX contracts to control the risk. Beside that, the Bank has Foreign Exchange Stop Loss Limit based on Daily Value-at-Risk (VaR) to manage the loss absorption capacity of the Bank.

42.2.2 Equity position risk

The Bank is exposed to equity price changes on its investments in Trading Book. These equity exposures are primarily related to market price movements in local equity market index. Changes in the overall value of equity trading book are recorded through profit and loss account. Bank's Investment Committee approves the investment stocks and their limits. It also reviews the portfolio with mark to market position on regular basis. Stop loss limits have been approved and are monitored on a regular basis.

42.3 Liquidity risk

The risk of losses because the Bank's normal liquidity reserves are not sufficient to meet its obligations.

Bank's approach to liquidity risk management is to ensure as far as possible that it will always have sufficient liquidity to meet its liabilities when due. The Fund Management Policy is formulated keeping in view SBP's guidelines on risk management and Basel II principles on sound liquidity management.

The Bank has an Asset and Liability Management Committee (ALCO) and a Market Risk Policy Committee (MRPC) that are part of the framework for management of risk.

The ALCO / MRPC is responsible for managing the composition of assets and liabilities management of liquidity, timely identification of sources of market and liquidity risk, pricing of deposits and advances, deciding on the required maturity profile and the mix of incremental assets and liabilities, defining the interest rate view of the bank and deciding on future strategies for treasury, reviewing and articulating the funding policy; and evaluating the market and liquidity risks involved in launching of new products.

Liquidity contingency funding plans have been drawn up to ensure that alternative funding strategies are in place when any of the indicators being monitored enter into the warning or stress zone and can be implemented on a timely basis to minimize the liquidity risks that may arise upon the occurrence of an unanticipated change in market conditions.

42.3.1 Maturities of assets and liabilities - based on working prepared by the Asset and Liability Management Committee (ALCO) of the Bank

The maturities of Deposits and Cash and Balances with Treasury Banks are determined on the basis of study conducted by the Bank based on past years data and the analysis reviewed by the ALCO from time to time.

42.4 Operational risk

The risk of losses owing to deficient or erroneous internal procedures, human or system errors, or external events.

The Bank has in place robust, duly approved various policies, procedures and a Business Continuity Plan.

These are continuously reviewed to strengthen operational controls. Risk policy sets minimum standards and requires all business units to identify and assess risks. The business units are responsible for day-to-day monitoring of operational risks and for limiting losses as a result thereof. They also report operational risk events in the management reporting system.

Notes to the Financial Statements

for the year ended December 31, 2015

Operational risk tolerance levels, however, have not been established but a broad strategic operational risk direction is in place. This process will move further with the implementation of Internal Control Systems (COSO compliant in process) and Operational Risk Management. Presently, this risk is effectively managed through robust operational policies and procedures.

43. TRUST ACTIVITIES

The Bank is not engaged in any significant trust activities. However, the Bank acts as security agent of investment portfolio services as custodian on behalf of its customers.

44. ISLAMIC BANKING BUSINESS (IBB)

In order to meet the guidelines for Sharia compliance in Islamic Banking Institutions (IBIs), statement of financial position and profit and loss account of IBB as at December 31, 2015 are given in Annexure - II. Further detailed disclosures are also given in the said annexure to comply with instructions issued by SBP to improve transparency and standardisation in IBIs' profit and loss distribution policies and practices. Instructions in this regard were issued by the SBP vide IBD Circular No. 3 dated November 19, 2012 and BSD Circular No.3 dated January 22, 2013.

45. RECLASSIFICATIONS

- 45.1 Corresponding figures have been rearranged and reclassified to reflect more appropriate presentation of events and transactions for the purpose of comparison, which are as follows:

Statement	Rupees in (000)	Reclassified	
		From	To
Statement of financial position	86,736	Other assets	Other liabilities

46. DATE OF AUTHORIZATION FOR ISSUE

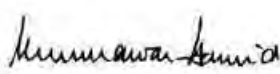

These financial statements were authorised for issue on February 28, 2016 by the Board of Directors of the Bank.

47. GENERAL

- 47.1 These financial statements have been prepared in accordance with the revised format for financial statements of banks issued by the SBP through BSD circular letter No.4 dated February 17, 2006.
- 47.2 Captions in respect of which no amounts exist may not be reproduced in these financial statements except in case of statement of financial position and profit and loss account.

E) DISCLOSURES

The number and nature of pools maintained by the IBD along with their key features and risk and reward characteristics are as follows:

Emaan Islamic Banking, the Islamic Banking Division (IBD) of Silkbank Limited, has a well-defined profit and loss distribution and pool management framework for creation of one or more pools of assets to be financed by different types of deposits. Currently, the IBD has the policy of maintaining a single Mudaraba Pool. All funds obtained through Islamic Banking operations are being invested in this Common Mudaraba Pool. The key features and risk / reward features of the same are given below:

Key Features

The Account Holder, in his capacity as the fund provider (called Rabbul Mal in Fiqh terminology) authorises the IBD acting as the investment manager (called Mudarib in Fiqh terminology) to invest the Account Holder's funds on the basis of an unrestricted Mudaraba agreement in line with rules and principles of Shari'a.

Under the unrestricted Mudaraba agreement, the IBD in its capacity as the fund manager invests the funds accepted from Account Holders in Shari'a compliant financing and investments. The IBD receives a pre-agreed percentage (Mudarib Share) of the profit generated from these activities.

In line with the principles of commingling Mudaraba, where the Mudarib is permitted to commingle its own funds with the funds received on the basis of the Mudaraba, and to comply with the regulations of the SBP on creation of an Islamic Banking

Emaan Islamic Banking Business

for the year ended December 31, 2015

Fund (the "IBF"), Silkbank has created an Islamic Banking Fund of Rs. 1,325 million and deposited the same in its common Mudaraba pool.

Risk and Reward Characteristics

The profit is shared between the Rabbul Mal and the Mudarib as per the agreed ratio, while the loss, if any, is borne by the Rabbul Mal in proportion to his invested amount unless the Mudarib is found to be negligent or in breach of the terms and conditions of the Mudaraba Agreement.

In case of commingling of the Mudarib's own funds with the funds of the Account Holders, the Mudarib shall get the full profit of its own funds and bear the entire loss thereof.

Profit (or loss) for the Account Holder is calculated on the basis of a weightage system which takes into consideration the size of funds, its period and profit payment frequency (details of the weightages are available in all the branches and Silkbank's website). The bigger the size of the fund and the longer the tenor, the higher would be the weightage allocated to the fund for profit distribution.

Avenues / sectors of economy / business where Mudaraba based deposits have been deployed.

Mudaraba based funds have been deployed to diversified sectors and avenues of the economy / business mainly to Government, Financial Institutions, Construction, Telecommunication, Manufacturing and Services sectors.

Parameters used for allocation of profit, charging expenses and provisions etc. along with a brief description of their major components

The profit of deposit pool is calculated on the earning assets booked by utilising the funds from the pool. No general or administrative nature of expense is charged to the pool. The profit of the pool is shared among the members of the pool on pre-defined mechanism based on the weightages announced before the profit calculation period.

Profit and Loss distribution in Common Mudaraba Pool

2015

- Automated the hiring process to reduce the turnaround time and cost

Customer Service & Quality

The Mystery Shopping Programme score, a nationwide independent survey of customer frontline experience in top banks of Pakistan, stands at **92%**

Productivity

- Rent rationalization contributed towards a **7%** save against the budget
- Process re-engineering led to head count saves in Bank operations
- Utility expense saves through energy efficiency, solar initiatives and ongoing monitoring

Operations and Technology

- Enhancements in SilkMobile App
- Verified by Visa for Credit Cards
- Data Center Establishment and Transition to Centrepont
- Biometric Verification System for account opening
- Training Management System
- Contractual Staff Management System

Fulfilling our Responsibility

Silkbank remains committed to its social responsibility towards the society it operates in. We continued to participate in community activities specially in the areas of health and education.

Pakistan Navy & Engineering College (NUST)

Recently Silkbank supported the "GREEN BUILDING COMPETITION" at NUST. The initiative was aimed at inviting students from across the country to bring their unique and versatile ideas in the field of renewable energy, as well as towards building energy efficient and environmentally friendly solutions. The event was well attended and provided the necessary exposure to a new wave of thinkers and innovators.

Karachi Women's Swimming Association

Silkbank in its quest to support and promote sports across the country, sponsored the Karachi Women's Swimming Championship held at Karachi Gymkhana in 2015.

The Distinguished Secretaries' Society of Pakistan (DSSP)

The Distinguished Secretaries' Society of Pakistan (DSSP) was established in 1971 for Lady Secretaries serving at senior positions in private, corporate and multinational companies. Silkbank supported and honored the recent 44th Anniversary Gala of the DSSP, recognizing the society and its members.

HR Metrics

Silkbank believes that development of human resource is integral to the sustainable growth of corporates, providing better opportunities for success. In this regard, Silkbank supported a conference on "Strengthening Human Governance for Sustainable Ease of Doing Business Index in Pakistan" in 2015.

The Patients Aid Foundation

The Patient Aid Foundation aims at providing funding for medical tests, scans and medicines free of cost to the under-privileged patients. Silkbank supported the Patient Aid Foundation charity event aimed at fund raising for the cause of the poor patients.

Lahore Garrison Golf & Country Club

Silkbank participated in the All Pakistan Garrison Open Golf Tournament at the Lahore Garrison Golf & Country Club, which credited to be a huge success.

IBA Alumni Homecoming Dinner

The Institute of Business Administration is a prominent Business School in Karachi. Established in 1955 in collaboration with the Wharton School, it was the first business school in Asia set up on the US-MBA model. Silkbank supported this educational institution by supporting the IBA Alumni Homecoming dinner which served as an opportunity to foster networking between the Alumni and the corporate sector.

The Defining Decades - Fashion Show

Greenwich University has a long established tradition of providing students with challenges and opportunities. This festival was one of the series of event that students organize from the university platform. Silkbank contributed to this cause which was a display of different cultures & countries brought under one roof.

Pakistan National Model United Nations'15

Silkbank enthusiastically supports education and the extracurricular activities associated with it. Silkbank recently participated in the Model United Nations Conference which aimed at educating participants about current events and topics in international relations, diplomacy and the United Nations agenda in 2015.

Silkbank All Sindh Youth & Junior Boxing Tournament

Silkbank contributed towards the promotion of boxing by sponsoring the All Sindh Youth & Junior Boxing Tournament in Lyari. The tournament invited young boxers from all over Sindh. Silkbank provided these boxers a platform to demonstrate their talent.

Basant & Spring Gala

Defence Authority Country & Golf Club organized a Basant & Spring Gala 2015. To welcome the colors of spring, Silkbank sponsored the event which was a great success and was attended by more than 5000 people from the city.

SILKBANK ➤

Form of Proxy
Annual General Meeting

SILKBANK 

I/We _____
of _____
being member(s) of **Silkbank Limited** holding _____
ordinary shares hereby appoint _____
of _____ or failing him/her _____
of _____ as my/our proxy in my/our absence to attend and vote for me/us and on my/our behalf at Annual General Meeting of the Bank to be held on Monday, March 28, 2016 and/or adjournment thereof.

As witness my/our hand(s) seal this on the _____ day of _____ 2016.

Signed by the said _____

In presence of 1. _____

2. _____

Folio No, CDC Account No.

Signature on
Revenue Stamp
of Appropriate Value

The signature should agree with the
specimen registered with the Bank.

Important:

1. The Proxy Form, duly completed and signed, must be received at the Company's Shares Registrar Office not less than 48 hours before the time of holding the meeting.
2. No person shall act as proxy unless he/she himself/herself is a member of the Company, except that a corporate entity may appoint any person who is not a member.
3. If a member appoints more than one proxy and more than one instrument of proxy are deposited by a member with the Company, all such instruments of proxy shall be rendered invalid.
4. In case of proxy for an individual CDC shareholder, attested copies of CNIC or the passport, account and participant's ID number of the beneficial owner along with the proxy is required to be furnished with the Proxy Form.
5. In case of corporate entity, the Board of Directors' resolution/power of attorney with the specimen signature shall be submitted (unless it has been provided earlier) along with the Proxy Form of the Company.
