REQUEST FOR EXPRESSIONS OF INTEREST (EOI)

Procurement of Consultancy Services for Knowledge Management Program in State Bank of Pakistan and its Subsidiary (SBP - Banking Services Corporation)

State Bank of Pakistan (SBP) is a knowledge based organization and while pursuing its objectives, departments of SBP and SBP-BSC develop various Knowledge Products and Services in collaboration with internal and external stakeholders. Automation of various business functions have been achieved through implementation of enterprise IT systems, which cater to the need of running business functions through managing and sharing structured data and information. However, unstructured contents (e.g. physical files, documents containing proposals, internal and external letters/memos, laws, regulations, manuals, web contents, emails and reports) are being held at diverse locations. Besides, there is a need to reinforce the efforts of capturing of tacit knowledge (being created in work relationships, events or projects) as part of the organizational memory in a digitalized manner. SBP and SBP-BSC has thus undertaken a Knowledge Management (KM) program under its Strategic Plan - Vision 2020.

The Expressions of Interest (EOI) are called from experienced firms / Joint Ventures / Consortiums / partnerships.
