

Data Conventions & Coverage

The Financial Stability Review (FSR) examines performance and risk analysis of various components of the financial sector on half yearly basis. The report uses two terminologies; CY for Calendar Year and FY interchangeably for Financial Year (in case of NBFCs) and Fiscal Year (July 1 – June 30).

The review is based on the data reported in audited or unaudited accounts for each component as follows:

- Banks (Conventional and Islamic), Development Finance Institutions (DFIs), Microfinance Banks, Financial Markets, Mutual Funds, Payment Systems and Insurance industry data is based on half-yearly accounts ended June 30, 2012.
- Data on NBFC's including Leasing, Investment Finance Companies and Modarabas is based on annual audited accounts for financial year ended June 2012 (termed as FY12).
