**The Presidents/Chief Executives**

**Dear Sirs/Madam,**

**Banknotes Survey – Public Opinion**

You are aware that rapid technological advancements in digital imaging and printing have helped counterfeiters to easily forge Banknotes that lack advance security features. To curb these threats, it was necessary to make the Banknotes modern and difficult to forge as well as to efficiently process the notes through electronic devices such as note counting machines, etc. Most note processing machines in the market now require the availability of machine readable features in Banknotes to detect counterfeiting. The Note Deposit Machines and ATM machines also require machine readable features to identify genuine Banknote so that safe and cost effective medium of exchange and funds transfer is provided to public.

To obtain feedback on the public perception at our banknotes in circulation, a survey questionnaire is forwarded with request to get it filled by 10 valuable customers/visitors on random basis from each of selected branches of your bank (list enclosed). The findings of the survey will be used to improve the banknote management at banks as well as at State Bank of Pakistan. Therefore, kindly advise the concerned branch manager to nominate a suitable officer for filling the questionnaire for achieving better results from this survey.

You are requested to kindly arrange to collect the filled questionnaire from selected branches of your banks latest by May 8, 2013 and return to the undersigned latest by May 10, 2013 enabling us to compile and develop the report on public perception at the earliest possible.

For any query or clarifications, kindly feel free to contact the following emails: [numan.ali@sbp.org.pk](mailto:numan.ali@sbp.org.pk), and [dost.ali@sbp.org.pk](mailto:dost.ali@sbp.org.pk)

Yours faithfully,

**(Riaz Nazar Ali Chunara)  
Director**
