Read the passage to answer question 4-5

Everyone wants to live in beautiful and pleasant surroundings. Especially ones home is the center of attraction for every individual. We want to see our homes as something special something pleasing to the mind and heart, and something which gives us new hope and energy to face the problems of the world. With this view in mind, we must try to improve the look of our homes as much as possible.

A house is just a building made of wood or mud or bricks and cement. It becomes a home when feelings and emotions showing a sense of belonging are attached to it. The care and attention that go into a house in order to express our love for it, turn a simple 'house' into a 'home'.

4. Improved look of our homes will make our life:

- A. difficult
- B. pleasing
- C. simple
- D. busy

5. What turns a house into a home?

- A. When we use bricks in it

- B. when we attach emotions to it**
- C. When we use wood in it**
- D. When we use colours in it**

## ANALYTICAL REASONING
