Revisions in Reserve Money and Broad Money

In accordance with SBP Data Revision Policy available at

<https://www.sbp.org.pk/departments/stats/Data-Revision-Policy.pdf>, revisions have been made in i) reserve money and ii) broad money statistics while improving monetary data classification, coverage and valuation methodology. These revisions have been incorporated in monetary data since June 30, 2019 to provide a consistent time series for academicians, analysts, researchers and other stakeholders.

Revisions in **reserve money** include (a) valuation of gold at market price (with its offsetting impact on other items net), (b) reclassification of 'unclaimed deposits' from other deposits to other liabilities, and (c) other minor changes. For details please see
