The issue of claims accepted by the auditors but untraceable in the NBP, FTC Branch, Karachi has been considered in the TDAP. These claims must reach TDAP by 30<sup>th</sup> April 2008, 1:00 p.m, after which no application/ claim will be considered, as we will close the program, after that, and TDAP will not be responsible for any loss incurred by the exporter.

You are requested to kindly advise all Commercial Banks at your earliest, so that the exporters submit their claims in time.
