parts. It contains data covering money and credit, banking system, balance of payments, foreign trade,

internal & external public debt, open market operations, capital market, public finance, and economic

growth. The data is presented in user friendly and easy-to-understand graphs and charts. Data on most of

the variables is provided in monthly series depending on its availability. The data included in the bulletin

is acquired from reliable sources and efforts are made to ensure its quality and reliability. The publication

is available both in printed as well as in electronic format. Soft copy of the bulletin can be downloaded

from the State Bank's website at http://www.sbp.org.pk/reports/stat_reviews/Bulletin/index.htm. The

publication is prepared by a team of in-house professionals whose untiring efforts enable its timely
