NOTES:-

- From July 2020, PBS has discontinued the dissemination of CPI on base 2007-08 using which the REER index was calculated, and changed the base to 2015-16. For the compilation of the REER index, therefore, the CPI - Base 2015-16 has been spliced and rebased to 2010 using the IMF's methodology.
- RPI and REER indices may be revised due to revisions in base period or splicing factor of CPIs data by PBS.
- Weights and number of trading partners have been revised since Jan-13. The REER and NEER have been recalculated since Jan-13 using these revised weights and number of trading partners. For detailed methodology and old series of REER and NEER, please visit the Revision Study at [http://www.sbp.org.pk/departments/stats/Notice/Revision-Study\(REER\).pdf](http://www.sbp.org.pk/departments/stats/Notice/Revision-Study(REER).pdf)
- Appreciation (depreciation) of REER is confused with the concept of currency overvaluation (undervaluation) while these are two separate concepts and not necessarily interpreted in the same direction. For assessment of a country's misalignment a more sophisticated analysis is required accounting for factors such as demographics, external and fiscal sustainability, and macro fundamentals over the medium-term.

Trade data compiled by Pakistan Bureau of Statistics and State Bank of Pakistan may differ from each other due to the following reasons:-

- 1- The SBP Exports (BOP) & Imports (BOP) include general merchandise, repairs on goods and goods procured on parts by carriers. The SBP export and imports are based on realization of export proceeds and import payments made through the banking channel. Information on exports and imports unaccounted for by the banking channel are collected from the relevant sources and added to the exports/imports data reported by banks to arrive at the overall exports and imports. The trade data of PBS is, on the other hand, based on physical movement of goods crossing the custom boundaries of Pakistan.
- 2- The SBP data is gendered merchandise based on Balance of Payment Manual (BPM6), whereas PBS data is on Carriage Insurance & Freight (c. i. f.) basis.
- 3- Cumulative figures are of Financial Year (Jul-Jun).
