Note:-

1. 'Size of Account' represents different classes constituted for classification of all deposits on the basis of the average amount of deposits.
Each deposit account is then classified in these classes according to its average amount.
2. 'No of Accounts' represents the total number of account holder which falls in the respective class on the basis of its average amount.
3. 'Amount' represents the total amount of all deposits falling in the particular class.

"Urban area" means an area which falls within jurisdiction of Municipal Corporation, or Metropolitan Corporation, or Municipal Committee, or Town Committee, or Cantonment Board, or any other area which has developed urban characteristics, and is declared as urban area by the government under Local Government Act 1975. While the areas other than urban areas are classified as rural areas.

Data on "Outstanding Advances" is based on disbursements by the bank branches located in the respective regions and place of actual utilization for these advances may be different from the place of disbursements. The regional position may not reflect the true picture since offices of large companies operating in different regions might have used banking facilities located in different regions. Data relating to actual utilization is under process and will be disseminated as and when collected from banks and compiled by SBP.

"Outstanding Advances" mean the advances/loans recoverable at the end of the period (30th June or 31st December). Advances includes all type of advances except interbank placements and is the amount of money borrowed from banks for a period of time at a rate of interest and at terms of repayments as agreed between the borrower and the banks backed by a collateral.
