To our data users,

The stakeholders' feedback in the improvement of any product is very important. We are producing and disseminating statistical data since long. Paving the way towards international compatibility, standards and enhancing utility of products for our valued stakeholders, we are striving hard to make our disseminations useful, attractive and fulfilling to your needs. This can be made more useful and valuable for you provided we get your feedback to ensure that:

- the disseminated data / statistical publications meet your needs in terms of content, and timeliness, and
- the material is presented in the format / layout most useful to you

A few minutes you spend completing this survey form or electronic format on <http://www.sbp.org.pk/stats/survey/index.asp> would payback in the form of value addition to the statistical stuff you receive from our end.

Regards,

Mazhar Hussain

Senior Joint Director
