

Preface

State Bank of Pakistan (SBP) produces reliable and timely statistics pertaining to central banking and related areas of interest for the use of policy makers, researchers, academia and other stakeholders. The Monthly Statistical Bulletin (MSB) is a reflection of such efforts. This publication provides a wide range of data disseminated in one place, most of which is also available on the websites of the respective data producers such as SBP and Pakistan Bureau of Statistics (PBS). It is available on the SBP website at: https://www.sbp.org.pk/reports/stat_reviews/Bulletin/index.htm. To further facilitate the users, data tables are provided in MS excel format. Moreover, for selected tables we have also provided links to archive of respective datasets at the end of relevant tables.

Readers are also encouraged to use EasyData (easydata.sbp.org.pk), an intuitive and interactive data portal from where one can access, download and plot time-series data from a collection of more than fourteen thousand variables.

Dr. Muhammad Nadim Hanif
Director
Statistics and Data Services Department, SBP
