

## CALL FOR PAPERS

### STATE BANK OF PAKISTAN RESEARCH BULLETIN

State Bank of Pakistan has been publishing the Research Bulletin regularly since 2005. Its objective is to publish latest research in various fields of macroeconomics with focus on monetary and exchange rate economics and policies, including those related to banking and finance. It also disseminates research on prevailing topics under debate in scholarly discussions in academic and policy circles at domestic and international levels.

State Bank of Pakistan Research Bulletin is a double blind peer reviewed (by at least one international reviewer) economics research journal. It is indexed & abstracted internationally. The Research Bulletin is indexed in EconLit, which is the American Economic Association's comprehensive resource to the world's economic literature. SBP also indexes the Research Bulletin into global database of research papers in economics (RePEc). Its hard copies are distributed to national/international academic institutions, central banks, and main libraries. Currently, SBP Research Bulletin is under consideration by Higher Education Commission, Government of Pakistan, for recognition.

**You are invited to submit your academic research paper.** A short note or a book review may also be submitted. The research work submitted to the Research Bulletin shall not be submitted elsewhere. Please submit your research work as an attachment to [sbprb@sbp.org.pk](mailto:sbprb@sbp.org.pk). Guidelines for authors are available on:
