Section VI. Terms of Reference

Introduction

SBP (BSC) Sialkot office has recently been shifted to a new purpose built building, and it has been decided to dispose off the old office building situated at Kutchery Road Sialkot (Property) at fair market value. To determine a fair market value, SBP has decided to engage services of four valuers listed on the Pakistan Bankers Association (PBA). The Reserve Price of the Property will be determined based on the average of Property value assessed by three (03) valuers. In case of an outlier value among the valuation of the three valuers, the same would be resolved through review exercise based on the fourth valuation. The process of engaging firms for three rounds and one review exercise (if required), seeks to ensure that setting of reserve price for the property is accomplished in a fair and transparent manner.

Objectives

The State Bank of Pakistan seeks to engage the services of four Valuation Firms (separately for each round of valuation and review exercise) enlisted in unlimited category of PBA panel of valuers to determine the current market value of the Property mentioned below:

Scope of Work

- i. Objective valuation of the Property, keeping in view the value of similar properties in the vicinity for the assessment of Fair Market Value.
- ii. The valuator shall separately appraise the value of land and building / superstructure of the property on an "*as is where is basis*".
- iii. The market value appraisal shall be performed using the "Sales Comparison Approach", which considers the sale of similar or substitute properties on cash basis, and related market data within the same or comparable area / location, and establishes a value estimate by process involving comparison.
- iv. Provide quality pictures and GPS coordinates of the site / property.
- v. The valuator is required to submit a hard and soft copy of the report (as per approved format) to Finance Department, SBP for approval.
- vi. Execute the work within four days and complete the assignment within ten days of award of contract/receipt of work order/signing the contract.

Key Deliverables

Comprehensive and detailed report giving market value of land as well as building separately as per the scope of work on approved format.

The Consulting firm shall be required to work in close coordination with representatives nominated by Finance Department, SBP, or other personnel as nominated by the department.

Deadline:

The total duration of the assignment will be ten days from the day of the award of contract.
